Two Festivals:

The Festivals of Opet, the Valley, and the New Year Masashi Fukaya,2020-05-28 This volume compares the religious and social functions of the Ancient Egyptian festivals of Opet the Valley and the New Year Until now detailed study of the New Year Festival has only been carried out with reference to the Greco Roman period this study turns its attention to the New Kingdom *Music Festivals* National Endowment for the Arts,1984 **Festival and Event Management in Nordic Countries** Tommy D. Andersson,Donald Getz,Reidar Johan Mykletun,2014-06-11 This book on events related research marks a watershed in the development of a Nordic School of festival and event research Each of the chapters presents a new and interesting approach to the study of events in terms of methods perspectives or content It is mostly rooted in management theory but also incorporating other perspectives that enhance our understanding of the phenomena Implications for real world applications in tourism hospitality and community development are also at the fore The scholarship is comprehensive not focused on only tourism or economic aspects Management theory including stakeholder management social networks and institutionalization processes is being applied Attention is being given to the multiple roles festivals and events play in society and to evaluation of their worth and impacts Innovative methods are being developed to examine event experiences innovation processes and success factors There is now a critical mass of scholars in the Nordic countries that share a strong interest in event studies and they are engaged in collaborative research making it an appealing and innovative region for other event students and researchers to visit It can be expected that the Nordic school will take an increasingly important place in the development of event studies which is now truly global in terms of scholarship and university degree programs This book was originally published as a special issue of *Scandinavian Journal of Hospitality and Tourism* **Grove's Dictionary of Music and Musicians** J. A. Fuller Maitland,1906 *May Festival of the University of Michigan* University of Michigan. University Musical Society,1924 **Power, Construction and Meaning in Festivals** Allan Jepson,Alan Clarke,2017-11-10 Whether through education sport or festivity events form the basis on which we attribute cultural meaning significance and value to our lives In this light community events have the potential to create positive and negative social cultural economic and environmental impacts within the community across a wide variety of genres and platforms This book offers a deeper and more critical insight into the relationships dynamics and planning processes of festivals and events and the impact this has upon authenticity cultural consumption and the local communities they serve It does so by looking at a range of key debates in power theory event planning and design event construction experience and meaning authenticity sustainability social inclusion accessibility and sponsorship engagement International case studies are embedded within the chapters examining the role of stakeholders local communities organisers local governments and infrastructure This critical event studies text is interdisciplinary and will make valuable reading for students and researchers who are interested in the relationships and dynamics involved in the construction and planning of festivals and events their immediate impact and their

significance for the future [Canadian Film and Video](#) Loren R.
