Widows Guide:

Widow's Guide to Healing Kristin Meekhof, James Windell, 2015-11-03 A very valuable and practical guide for any woman who has lost her husband due to an untimely death Kristin Meekhof's journey is both inspiring and courageous and something we can all learn from Dr Deepak Chopra An inspiring accessible and empowering guide for how to navigate the unique stresses and challenges of widowhood and create a hopeful future When Kristin Meekhof lost her husband to cancer she discovered what all widows learn the moment you lose your partner you must make crucial decisions that will impact the rest of your life But where do you begin This inspiring book shows grieving widows what to expect and how to deal with the challenges of losing a life partner From immediate issues like finances estates and medical bills to long term hurdles such as single parenthood being a widow in the workplace and navigating social situations by yourself this book guides widows through the tumultuous and painful first five years to a more hopeful future *A Widow's Guide* Ophelia Pratt, 1965

Survival Handbook for Widows Ruth Jean Loewinsohn, 1984 *A guide to all institutions existing for the benefit of women and children, by the ed. of the 'Woman's gazette' and the 'Handbook of woman's work' [signing herself L.M.H.]* Louisa M. Hubbard, 1878 *The Widow's Guide to Sex and Dating* Carole Radziwill, 2013 Claire's husband is a philandering sexologist who believes love and sex can't co exist But it breaks her heart when he dies and leaves her a young widow As she braces herself for her new life alone Claire can't help but wonder if her late lamented was right all along After getting through the pain of his passing she's returning to the battlefield of bad dates So when she's asked to write the biography of lothario movie star Jack Huxley she's surprised when he doesn't live up to his sleazy reputation Not only is he more than meets the eye but he's got his eye on her Claire's determined to banish her husband's ghosts and prove him wrong But having found her first Mr Right does she deserve a second A unique extraordinarily perceptive and darkly comic novel about widows sex and love in that order [The Widow's Guide](#) Isabella Taves, 1981 *Guide to Kendal*, 1883 **The Widow's Guide to Life** Ida Fisher, Byron Lane, 1981 *Widow's Peak* Andrew Roberts, 2011-06-01 Description Widow's Peak is the first of three short stories which deal with the delusions of a madman made real with science Though Widow's Peak is pure science fiction it does to some extent document the author's own journey In this book Andrew Roberts looks at telepathy and ways of making it workable Note most mental illnesses operate on this premise This is an interesting and engaging perspective on science fiction as bought to you by a recovering schizophrenic A thoroughly enjoyable read About the Author Andrew Roberts was born in England and with a strong religious upbringing attended a Methodist Church up to the age of 16 Andrew turned back to God eight years later when he developed mild schizophrenia as he completed his degree in psychology For Andrew schizophrenia was very much a journey into madness with a spiritual edge He undertook a course in Mental Health Nursing and now works with people with similar problems to his own The three stories in this book are his first attempt at writing fiction He is also working on a new approach to beating the voices **Agents of Social Change**

Sung H. Bauta,2022-07-15 This book goes where no other work has gone It refuses to conform to the conventional descriptions of the realities of widows in Africa Thus rather than approach the issue of widowhood from the vantage point of what society can do for widows the book considers what widows can do for society Christian widows in northern Nigeria are defying the restrictions assigned to their widowhood Remarriage and property inheritance for instance are not central to widows ambitions Widows believe that they are not passive observers within society rather they are agents of social change Therefore they are drawing from their faith in religious social and economic engagements towards societal transformation Of the institutions that influence their lives Christian institutions provide the best guide for the embodied agency of Christian widows in northern Nigeria The theory of embodiment considers the ways Christian widows emulate the life of Jesus towards remaking society
