Wild Animals At Home:

Wild Animals at Home Ernest Thompson Seton, 1913 **Wild Animals at Home** Ernest Thompson-Seton, 2019-03-17 My travels in search of light on the Animals at Home have taken me up and down the Rocky Mountains for nearly thirty years In the canyons from British Columbia to Mexico I have lighted my campfire far beyond the bounds of law and order at times and yet I have found no place more rewarding than the Yellowstone Park the great mountain haven of wild life Whenever travellers penetrate into remote regions where human hunters are unknown they find the wild things half tame little afraid of man and inclined to stare curiously from a distance of a few paces But very soon they learn that man is their most dangerous enemy and fly from him as soon as he is seen It takes a long time and much restraint to win back their confidence In the early days of the West when game abounded and when fifty yards was the extreme deadly range of the hunter s weapons wild creatures were comparatively tame The advent of the rifle and of the lawless skin hunter soon turned all big game into fugitives of excessive shyness and wariness One glimpse of a man half a mile off or a whiff of him on the breeze was enough to make a Mountain Ram or a Wolf run for miles though formerly these creatures would have gazed serenely from a point but a hundred yards removed ERNEST THOMPSON SETON [Wild Animals at Home \(Annotated\)](#) Ernest Thompson Seton, 2015-11-13 My travels in search of light on the Animals at Home have taken me up and down the Rocky Mountains for nearly thirty years In the canyons from British Columbia to Mexico I have lighted my campfire far beyond the bounds of law and order at times and yet I have found no place more rewarding than the Yellowstone Park the great mountain haven of wild life **Wild Animals at Home - Primary Source Edition** Ernest Thompson Seton, 2013-10 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book The below data was compiled from various identification fields in the bibliographic record of this title This data is provided as an additional tool in helping to ensure edition identification Wild Animals At Home Ernest Thompson Seton Grosset Animals *Wild Animals at Home* Ernest Thompson Seton, 2021-01-20 I have aimed to show something of the little aspects of the creatures lives which are those that the ordinary traveller will see I go with him indeed pointing out my friends as they chance to pass adding a few comments that should make for a better acquaintance on all sides And I have offered glimpses wherever possible of the wild thing in its home embodying in these chapters the substance of many lectures given under the same title as this book **Wild Animals at Home [microform]** Ernest Thompson 1860-1946 Seton, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and

[Wild Animals at Home](#) Ernest Thompson Seton,2020-05-23 If you draw a line around the region that is or was known as the Wild West you will find that you have exactly outlined the kingdom of the Coyote He is even yet found in every part of it but unlike his big brother the Wolf he never frequented the region known as Eastern America This is one of the few wild creatures that you can see from the train Each time I have come to the Yellowstone Park I have discovered the swift gray form of the Coyote among the Prairie dog towns along the River flat between Livingstone and Gardiner and in the Park itself have seen him nearly every day and heard him every night without exception

an eye opening read for children who care about the welfare of animals and want to know more about the organizations that help them **Wild Animals at Home ... With Photographs by the Author and Line Illustrations by W. Neave Parker**
