century however Tavernier s reputation rose as such important historians as Lucien Febvre and Fernand Braudel used the detailed information he recorded about the prices and qualities of goods and about business and commercial practices in their pioneering studies of economic and social history The book contains several appendices by Ball about famous diamonds including the historic Koh i Noor Diamond now belonging to the British royal family diamond mines in India and Borneo ruby mines in Burma and sapphire washings in Ceylon Sri Lanka A fold out map shows Tavernier s voyages in India and the mines he visited
