Rules for the Road Hanna William Hanna, William Hanna, 2010-04 Most travelers leave home Monday morning for a work week in the Chicago office saying Love yah see you Friday The hero in Rules for the Road is a quantum leap from that lucky character Last Friday afternoon he kissed his wife passionately and said Love you hope to see you before next month arrives You don't fly home on Friday afternoons when you find yourself halfway around the world We join our hero on a train in China headed for Nanjing where he and his team are about to begin another round of negotiations with a Chinese company to enter into a joint venture The meetings however quickly take a back seat to the culture of the people their mannerisms food drink and the winsome ways of their women with a personal agenda When the trip gets extended by an extra week and a half his life and the temptations of the flesh become almost intolerable Our loving husband finds himself swept up in dangerous events that he has neither contemplated nor imagined In other words the magnetism of his personality has a precarious impact on the women he meets this Svengali makes swooning ladies act out naughty thoughts

Year Book American Institute of Actuaries, 1928 [Early English Performance: Medieval Plays and Robin Hood Games](#) John Marshall, 2019-10-08 Covering a period of nearly 40 years work by the author this collection of essays in the Shifting Paradigms in Early English Drama Studies series brings the perspective of a Drama academic and practitioner of early English plays to the understanding of how medieval plays and Robin Hood games of the fifteenth and sixteenth centuries were performed It explores why where when and how the plays happened who took part and who were the audiences The insights are informed by a combination of research and the public presentation of surviving texts The research included in the volume unites the early English experiences of religious and secular performance This recognition challenges the dominant critical distinction of the past between the two and the consequent privileging of biblical and moral plays over secular entertainments What further binds rather than separates the two is that the destination of funds raised by the different activities maintained the civic and parochial needs of the institutions upon which the people depended This

The Turning Point in the Gospel of Mark Gregg S. Morrison, 2014-09-24 Based on linguistic and thematic links in the narrative The Turning Point in the Gospel of Mark argues that the twin pericopae of Peter's confession 8:27-38 and the Transfiguration 9:2-13 together function as the turning point of the Gospel and serve in a Janus-like manner enabling the reader to see the author's main focus the identity of Jesus and the significance of that reality for his disciples Peter's confession of Jesus as Messiah faces backward toward the Prologue 1:1-13 and functions as a mid-course conclusion The declaration by God on the mountain faces forward and foreshadows the end-course conclusion 14:61-62 15:39 Son of God Jesus in response teaches that the Son of Man must suffer and die before being raised from the dead 8:31 Christologically the images of Messiah Son of Man and Son of God converge and present Jesus the crucified as king ushering in the kingdom of God in power 9:1 acting as the key swivel between the twin pericopae When one is confronted with this Jesus though there remains something elusive about him and the kingdom of God in the narrative the only wise decision after calculating the costs 8:34-38 is to follow
