reach the sky He was enthralled and excited by every new sight which fueled his urge to explore even more Finn saw a wide variety of animals on his travels from little insects to magnificent deer With a grin and a cordial croak he welcomed each one ready to absorb their distinct viewpoints He befriended a family of squirrels who showed him how to climb trees and an elderly owl who told him stories about the history of the forest along the way But Finn s journey took an unexpected turn when he came across a babbling creek He leaned in for a closer look drawn by the sparkling water only to stumble and plunge headlong into the freezing stream He was struggling to remain afloat when panic struck his lips opening wide in shock When it seemed like there was no hope left a good hearted beaver came up and offered Finn a strong branch to hold onto Finn let out a thankful moan as he hauled himself to safety his heart thumping with happiness Gesturing him with loving tolerance the beaver promised to guide him about the forest while laughing at his bad luck Together they marveled at the beauty of the surrounding landscape as they discovered secret clearings and hidden glens Finn paid close attention as the beaver imparted his knowledge instilling in him the value of fortitude and tenacity in the face of difficulty Finn recognized that his trip was far from done as the sun started to set bathing the woodland in a warm light He said goodbye to his new companion with confidence and resolve that he had never had before anxious to see what other mysteries were ahead of him in the vastness of the forest Finn felt his wide lips open into an even bigger smile with every hop and jump full of anticipation for the adventures that awaited The voyage was far from over for Finn the wide mouthed frog And as he descended more into the unknown he was certain that he would meet any obstacles head on with curiosity bravery and the biggest smile on the face of the planet
