Advanced Emotional Healing:

The Seven Initiations on the Spiritual Path Michael Mirdad, 2008-03-31 Michael Mirdad has written a book that can assist us all on the path to wholeness and help us live a life of balance and peace. By using life's little lessons and tests also called initiations, Dr. Mirdad explains that as we learn, we open our hearts and our souls' connection to God becomes stronger. As this happens, we move closer to a more spiritual and enlightened life. The seven basic initiations involve different parts of ourselves: from our bodies, minds, emotions, and spirit. This book is not only to be read but experienced. The message is to take those triumphs and tragedies of life and use them as pavers to continue to build our road to peace and happiness.

An Introduction to Tantra and Sacred Sexuality Michael Mirdad, 2011-05-01 Sex still sells. But why? Because it's a subject that is repressed, ignored, abused, and even unused all by a race of people who are trying to understand their sexuality and how to use this most sacred encounter as a means of deepening intimacy and connection. In fact, a lack of healthy sexual knowledge and expression may very well be the primary issue behind failed relationships. A new book by world-renowned spiritual teacher, healer, and author Michael Mirdad, *An Introduction to Tantra and Sacred Sexuality*, reassures readers that despite the rising number of relationship breakups and increase in issues around intimacy, there are ways to solve these dilemmas and return sexuality to its rightful place as a means of expressing love. A growing number of people are seeking a solution to their intimacy issues and have turned to books and seminars on relationships only to find them lacking a thorough comprehension and/or coverage of the topic of intimacy. Some counselors and teachers even treat intimacy as a taboo subject as if to fear treading on cursed grounds. Nevertheless, the public is refusing to be turned away. They want to know more about how to capture or recapture intimacy, passion, and a greater sense of sacredness in their sexual experience. This new book, which blends several ancient and modern concepts of sacred sexuality, covers these topics like no other. Even the most respected teachers of Tantra, Taoist Sexuality, and modern Sex Therapy are praising this book as one of the most profound and important books on the subject.

Each chapter is an unfolding towards greater understanding with tips and strategies on how to apply each principle in our daily lives. Michael Mirdad will take you from confusion to clarity, from intellectual understanding to practical application, from drifting to a daily spiritual devotion.
