New Approaches for Sustainable & Resilient Processes and Products of Social Housing Development in the Arabian Gulf Countries Khaled Galal Ahmed, Mohamed H. Elnabawi Mahgoub, Lindita Bande, Martin Scoppa, 2023-10-16 Social housing has been a forefront research topic especially from its economic and socio cultural factors The nature of social housing in the Arabian Gulf Countries has been distinctive in its approach with usually generous areas and urban sprawl designs Recently most of these Arabian Gulf Countries have gone through profound transformation in their social and housing paradigms influenced by their sustainability adopted agendas Still scholarly documentation and analysis of the processes and products of these transformed paradigms are largely missing or at least fragmented So there is a desperate need to boost research work in this field as related to each city country in this region with largely expected mutual effects that these experiences might have on each other and on the global debate about sustainable and resilient social housing as a whole **Renewable**
