Self Help 2025 Edition:

Promoting Infant and Family Mental Health and Wellbeing Helen Simmons, Robin Sturman-Coombs, 2026-03-11 This informative and accessible text invites readers to engage with the latest developments and debates in the field of infant and family mental health and wellbeing from a multi disciplinary perspective Bringing together a rich collection of knowledge and experience unique insights are provided into aspects of family life from attachment attunement and bonding to therapeutic interventions and compassion Each chapter shines a light on the importance of respectful early interventions and provides ethical and evidence based strategies to promote healthy development and to empower parents and caregivers to support their child s and their own emotional and psychological needs Spotlights on research and practice reflective questions and case studies weave throughout to further consolidate knowledge and to bring theory to life Critically reflecting on current policy and practice this book advocates for an inclusive approach and underscores the significance of early experiences in shaping a child s mental health and overall development It will be key reading for early childhood students educators healthcare professionals and anyone interested in supporting families during the crucial early years

Inner Oracle Lily Cooper, 2026-01-06 Inner Oracle A Guide to Deep Intuition by Lily Cooper Inner Oracle A Guide to Deep Intuition is a non fiction guide to inner listening and symbolic perception It presents a sober method built on silence breath and focused attention using the images of the inner temple the inner eye and soft light as a practical framework for clarity and stability The book explores dreams metaphors archetypes and the inner master as ways to organize intuitive reception without superstition or spectacle A central thread is discernment separating intuition from fear desire and projection then integrating what is received into simple ethical and proportionate actions in daily life

The Private Justice Gap Célia Filipa Ferreira Matias, 2026-03-31 This book examines how private justice challenges the state s monopoly on adjudication with a particular focus on today s digital contexts The author contends that private interventions can be legitimate expressions of justice rather than threats to it and argues for a nuanced approach This applies when such interventions respond to genuine injustices and meet the criteria of suitability necessity and proportionality while respecting fundamental ethical boundaries By proposing a framework for private justice defence the book explores how this stance could bridge the gap between public and private justice systems fostering greater collaboration between citizens and the state By acknowledging the role of private adjudication in rectifying injustices the book advocates a legal landscape that empowers individuals to act in the service of justice while upholding core principles of fairness and cooperation The book will appeal to scholars of legal theory and law and technology

Directory of Publishing 2009 , 2008-11-01 Now in its 34th edition this is the most authoritative detailed trade directory available for the United Kingdom and the Republic of Ireland
