The Baseball Film in Postwar America Ron Briley, 2014-01-10 This work focuses on the baseball movie genre in the years following World War II beginning with the 1948 biopic *The Babe Ruth Story* and ending with the 1962 Mickey Mantle Roger Maris vehicle *Safe at Home* when the consensus was that conflict should be limited in American society by emphasizing economic growth and a strong stand against Communism This study of selected films indicates however that this strategy was not entirely effective while offering a certain amount of nostalgia these films could not provide shelter from the storm gathering in postwar America which challenged conventional ideas of race gender and class and broke in the 1960s

Baseball: The Movie Noah Gittell, 2024-05-14 Finally someone takes baseball movies seriously *Baseball The Movie* blends the passion of a fan with the rigorous analysis of a film critic to create a persuasive argument that the baseball movie matters to baseball to Hollywood even to America Ben Mankiewicz host Turner Classic Movies Featuring *Field of Dreams* *The Bad News Bears* *A League of Their Own* and more a probing and entertaining work at the intersection of pop culture and sports Baseball has always been a symbol as much as a sport With a blend of individual confrontation and team play a luxurious pace and an immaculate urban parkland setting it offers a sunny rendering of the American Dream both the hard work that underpins it and the rewards it promises Film America's other national pastime which magnifies and mythologizes all it touches has long been the ideal medium to canonize this aspirational idea *Baseball The Movie* is the first definitive history of this film genre that was born in 1915 and remains artistically and culturally vital more than a century later Writer and critic Noah Gittell sheds light on well known classics and overlooked gems exploring how baseball cinema creates a stage upon which the American ideal is born performed and repeatedly redefined Traversing history and mythmaking cynicism and nostalgia this thoroughly researched book takes readers on a multifaceted tour of baseball on film

[The Baseball Filmography, 1915 through 2001](#), 2d ed. Hal Erickson, 2016-03-23 Since the first baseball movie *Little Sunset* in 1915 Hollywood has had an on again off again affair with the sport releasing more than 100 films through 2001 This is a filmography of those films Each entry contains full cast and credits a synopsis and a critique of the movie Behind the scenes and background information is included and two sections cover baseball shorts and depictions of the game in non baseball films An extensive bibliography completes the work

Movies and the Church of Baseball Jonathan Plummer, 2024-12-25 Christian religious imagery and symbolism has a long history in American baseball cinema from *The Busher* 1919 to *Angels in the Outfield* 1994 and present day movies This book examines *The Natural* *Field of Dreams* *Bull Durham* and other films exploring the frequency of Christian imagery and themes in the American baseball movie From Babe Ruth's performance of a

miracle to help a disabled boy walk again in *The Babe Ruth Story* to Shoeless Joe Jackson's question to Ray Kinsella in *Field of Dreams*. Christian themes and American baseball film are inextricably linked. This discussion encompasses symbolic imagery in mainstream film, Christian baseball movies directed by Christian filmmakers promoting their faith messages and images of America as a prelapsarian paradise before The Fall. **Supreme Court**, 1922.
