

THE DOCTORS WERE BROTHERS

Elizabeth Seifert

Christina Leytele had always been independent. She ran a successful hospital placement service in California, and now that she had come home to spend her vacation with her family, she decided she would prefer to live alone. She moved into the gatehouse at the entrance to a compound of old mansions. Here she was free from the constant carping of her socially ambitious mother; free, as it happened, to plunge into a romance with a man she knew only as Jed. She accepted him without knowing anything about his past or his present, or even why some of the residents of the compound called him Doc. Then as suddenly as it began, the idyll ended. Not until Chris returned months later for the wedding of her beautiful young sister were her questions answered.

But this is the story of the Adair brothers as well as of Christina—of Gabriel Adair, a nuclear physicist and M.D., and of Dr. Max Adair, the troubleshooter who solved problems. And there were often urgent problems in the little river town. Christina's father was the manager of the nuclear energy plant that many people hated and feared. Dissension sparked violence that threatened Christina's family
