The Dry Decade

Roman Wölfel

The Dry Decade:

The Dry Decade Charles Merz,1970 *The Dry Decade ... With a New Introduction by the Author* Charles MERZ,1970
War on Crime Claire Bond Potter,1998 The first book to look at the structural legal and cultural aspects of J Edgar Hoover s war on crime in the 1930s a New Deal campaign which forged new links between citizenship federal policing and the ideal of centralized government WAR ON CRIME reminds us of how and why our worship of violent celebrity hero G men and gangsters came about and how we now are reaping the results 10 photos **World Wars and the Modern Age** David C. King,American Heritage,2005-02-04 Experience explosive changes in American history with the people who witnessed them From 1870 to 1950 America experienced an unprecedented era of rapid change and growth A host of remarkable inventions led the way in transforming this nation into a major world power and yet the forces of change often caused tremendous upheaval in people s lives Now World Wars and the Modern Age provides a rare glimpse into the day to day experiences of Americans who lived through Prohibition the Roaring Twenties the Great Depression and two world wars You ll be there as the New York Times offices are filled with electric light for the first time You ll watch as immigrants flock to America s colorful fast growing cities hoping to start anew You ll read a young soldier s account of going over the top during the grim trench warfare of World War I and barely twenty years later an eyewitness account of the surprise Japanese attack on Pearl Harbor that plunged America into World War II From the personal writings of Henry Ford on his Model T automobile to songs of the Depression from FDR s Inaugural Address to a G I s description of D Day World Wars and the Modern Age presents a wealth of period documents including diaries letters articles advertisements speeches and more from both famous figures and ordinary citizens Find out how all of these American voices together helped make this country what it is today AMERICAN HERITAGE is well known for its magazine on American history as well as its many highly acclaimed books including the American Heritage Illustrated History of the United States and the American Heritage Illustrated History of the Presidents *The Dry Years* Norman H. Clark,2011-07-01 On the event of its publication in 1965 Murray Morgan wrote *The Dry Years* which might be subtitled *The Fall and Rise of John Barleycorn* is a delightful blend of scholarship narrative exposition and wit Clark is knowing and acid about alcohol as a class problem he points out that the dries were usually led by upperclass types whose peers would derive benefit by better habits in the working class He does not however fall into the trap of attributing the attitudes of the reformers to hypocrisy The dries were awash with sincerity It is one of the many merits of this delightful book that Norman Clark does not rub our noses in the fact that though times change problems remain In this substantially updated edition of the classic story of a region s experience with Prohibition Norman Clark reviews to the present the political history of liquor control in Washington State and issue taken seriously in the state and the nation as those of black slavery wage slavery and child welfare He traces the effect of social change upon liquor morality through nearly two hundred years of efforts to make the use of alcohol compatible with the American view of social progress
