A Magnificent Obsession Helen Rappaport, 2012-03-13 From the New York Times bestselling author of *The Rebel Romanov* an absorbing account of the making of a queen through her awful protracted grief Kirkus Reviews As she did in her critically acclaimed *The Last Days of the Romanovs* Helen Rappaport brings a compelling documentary feel to the story of this royal marriage and of the queen's obsessive love for her husband a story that began as fairy tale and ended in tragedy After the untimely death of Prince Albert the queen and her nation were plunged into a state of grief so profound that this one event would dramatically alter the shape of the British monarchy For Britain had not just lost a prince during his twenty year marriage to Queen Victoria Prince Albert had increasingly performed the function of King in all but name The outpouring of grief after Albert's death was so extreme that its like would not be seen again until the death of Princess Diana 136 years later Drawing on many letters diaries and memoirs from the Royal Archives and other neglected sources as well as the newspapers of the day Rappaport offers a new perspective on this compelling historical psychodrama the crucial final months of the prince's life and the first long dark ten years of the Queen's retreat from public view She draws a portrait of a queen obsessed with her living husband and after his death with his enduring place in history *Magnificent Obsession* will also throw new light on the true nature of the prince's chronic physical condition overturning for good the 150 year old myth that he died of typhoid fever

*Queen Victoria's Children* John van der Kiste, 2011-10-24 Queen Victoria and Albert Prince Consort had nine children who despite their very different characters remained a close knit family Inevitably as they married into European royal families their loyalties were divided and their lives dominated by political controversy This is not only the story of their lives in terms of world impact but also of their own personal achievements their individual contributions to public life in Britain and overseas and in their roles as the children of Queen Victoria and the Prince Consort

And the Rest Is History Marlene Wagman-Geller, 2011-01-25 Did my heart love till now Forswear it sight For I ne'er saw true beauty till tonight Romeo and Juliet Antony and Cleopatra Diego Rivera and Frida Kahlo Gertrude Stein and Alice B Toklas Humphrey Bogart and Lauren Bacall Joe DiMaggio and Marilyn Monroe Elvis Presley and Priscilla Beaulieu John Lennon and Yoko Ono while we're familiar with all of these people as individuals we also associate them with the grand sometimes fiery passion they shared with their partners And the Rest Is History is an intriguing look at how these iconoclastic lovers first crossed paths whether it was through fate setups or blind luck From angry sparks flying to love at first sight the meetings shared in this book give us a look at what makes that one great love

**Queen Victoria's Other World** Peter Underwood, 1986 There have been many books about Queen Victoria but there has never been one that has explored her other world the world of the strange and unusual the world of death and her fascination for it and the world of the unseen and the paranormal that she could never resist During his research Peter Underwood gained the distinct impression that there was something of a conspiracy of silence around her interest in the paranormal however there is overwhelming

evidence that as a fatherless and bewildered princess as a quickly matured queen and then as a widowed and often lonely woman Victoria showed a considerable interest in death and its draperies This book covers Victoria s youthful encounters with the occult her visits to haunted properties her friends and acquaintances with similar interests and experiences her alleged involvement with Robert Lees the medium her undoubted interest in the Jack the Ripper murders her obsession with omens and superstitions and her fascination with death Not long before his death the Prince Consort told the Queen We don t know in what state we shall meet again but that we shall recognise each other and be together in eternity I am perfectly certain Through forty years of widowhood Queen Victoria believed utterly that this would be so
