Dunmoore wanted to believe the long war against the invading Shrehari Empire had finally banished the ghosts of her past But when her ship Iolanthe a heavily armed man of war masked as a bulk freighter finds itself in need of replenishment after a long patrol spent stalking human and alien foes she is confronted with events eerily reminiscent of a past she thought buried When evidence of treason and marauders bold enough to strike a Navy outpost leave her no choice Dunmoore knows she must finish the cleanup job Fleet Headquarters ordered her to abandon years ago Fortunately Iolanthe and her crew are the perfect instruments with which to dispense much needed retribution despite General Orders and the Fleet s bureaucracy doing their best to tie a captain s hands With her ship taking on the guise of a privateer she sets out on a merciless hunt to eliminate a band of soulless soldiers of fortune and teach the ghosts of her past a lesson they will never forget Keyword Tags Siobhan Dunmoore sci fi science fiction military science fiction war strong female character space opera science fiction action adventure alien invasion starfleet space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenaries colonies political intrigue **The American Hereford Record and**
