Walking with Secrets Carla Huxham,2016-06-09 Centred on the fabulous diamond beaches on Africas West Coast harsh realities impact on the seemingly idyllic pattern of life in a deeply rural village Key characters Hafeni and Abed are wrenched from their community to seek work The mens arduous journey across the dessicated veld introduces their realitydistant and remote A troubled German teenager Alex experiences the beauty of the wilderness and unwittingly undergoes a transition into manhood As a prelude to the ending of the drought an enchanting unusual story plays out with a visit by the mythical rainbird The men settle into the alien and unfamiliar routine of life at the mine where an undercurrent of diamond theftlike fine desert sandpervades everything Hafeni remains steadfast and committed to his mission Abed however falls victim to temptation The novel reaches across cultural divides revealing drastically different worlds Bessie child of a domestic worker grew up in a suburb near Windhoek privileged to receive an education Against all odds she makes her dream come true Sharing her success is engaging and meaningful Betrayals however turn her life upside down Fortuitous circumstances find her working at the mine Too late Bessie discovers that she is harbouring a diamond thief and pays a terrible price Intrigue and ingenuity provide compelling suspense in the battle of wits between Security and the diamond thieves The villagers meanwhile experience a miraculous change in circumstances When the men return to the mine for a second contract their wivesNala and Jaloosuffer a traumatic incident They endure the arduous walk back to the village bound by shame and secrecy and vengeful murder is the outcome *Walking with Secrets* offers unique views on aspects of the arcane world of diamonds It is a captivating human story sensitively told with deeply poignant insights

Bulletin ,1891 **The Aarend** ,1930 **Colossians** David J. Landegent,2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the

wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase finding joy in Gods truth and growing in our faith Come and join the journey

Catastrophe and Systemic Change: Learning from the Grenfell Tower Fire and Other Disasters Gill Kernick,2021-05-27 The Grenfell Tower tragedy was the worst residential fire in London since World War II It killed seventy two people in the richest borough of one of the wealthiest countries in the world Like other catastrophic events before it and since it has the power to bring about lasting change But will it The historical evidence is weighed against lessons being learned in a meaningful or enduring way In an attempt to understand why despite enormous efforts we persistently fail to learn from catastrophic events this book uses the details of the Grenfell fire as a case study to consider why we don t learn and what it would take to enable real systemic change The book explores the myths the key challenges and the conditions that inhibit learning and it identifies opportunities to positively disrupt the status quo It offers an accessible model for systemic change not as a definitive solution but rather as a framework to evoke reflection enquiry and proper debate Catastrophe and Systemic Change is a must read book for a wide range of readers including those
