

We Still Believe

Mark Hitchcock, Ed Hindson

We Still Believe:

Can We Still Believe the Bible? Craig L. Blomberg, 2014-04-01 Challenges to the reliability of Scripture are perennial and have frequently been addressed. However, some of these challenges are noticeably more common today, and the topic is currently of particular interest among evangelicals. In this volume, highly regarded biblical scholar Craig Blomberg offers an accessible and nuanced argument for the Bible's reliability in response to the extreme views about Scripture and its authority articulated by both sides of the debate. He believes that a careful analysis of the relevant evidence shows we have reason to be more confident in the Bible than ever before. As he traces his own academic and spiritual journey, Blomberg sketches out the case for confidence in the Bible in spite of various challenges to the trustworthiness of Scripture, offering a positive, informed, and defensible approach.

Can We Still Believe in God? Craig L. Blomberg, 2020-06-16 People regularly give certain reasons for not believing in God, but they are much less aware of what the New Testament actually teaches. Although challenges to Christianity are perennial and have frequently been addressed, they are noticeably more common today and are currently of particular interest among evangelicals. Skeptics of Christianity often ask highly regarded biblical scholar and popular speaker Craig Blomberg how he can believe in a faith that seems so problematic. How can God allow evil and suffering? Isn't the Bible anti-women, anti-gay, and pro-slavery? Isn't the New Testament riddled with contradictions? What about the nature of hell, violence in Scripture, and prayer and predestination? Following the author's successful *Can We Still Believe the Bible*, this succinct and readable book focuses on what the New Testament teaches about 10 key reasons people give for not believing in God.

Can We Still Believe in the Rapture? Mark Hitchcock, Ed Hindson, 2018-01-01 Christian Fiction or Biblical Fact? Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism. Is the rapture really taught in the Bible? Can we really expect Jesus to gather up His followers before the Antichrist is revealed? In this well-reasoned and thorough defense, prophecy authors Mark Hitchcock and Ed Hindson examine the concept, context, and consequences of the important and long-expected event known as the rapture. Discover the answers to such questions as: What is the rapture, and is there any historical precedent for it? Why do some believers object to the idea of a rapture? Does the timing of the rapture really make a difference? As you explore what Scripture says about the end times, you'll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus.
