The Financial Security Bible Mike Summey, 2015-11-10. In this era of financial uncertainty in the worldwide economy, it is more important than ever to make sure that your own personal economy is secure. In **The Financial Security Bible**, you'll learn how to build a financial foundation for yourself and your family that no financial hurricane can break through. This book is called a bible because, like the Bible, many of the lessons it contains are embedded in stories and parables that relate to real-life situations. It describes the range of lifestyles that encompass all people, from the lifestyle of success to the lifestyle of failure, and shows you how to define where you fall within the range. You'll learn common-sense ways to improve your

financial position no matter where you fall on the scale This is not a high powered financial text you will need an MBA to understand but rather a down to earth guide every person can use to improve their finances and or become financially independent Mike will show you how he was able to distill powerful life lessons from seemingly insignificant incidents throughout his life and teach you how to do the same with your life experiences You will want to read it over and over because each time you will gain more knowledge and ideas that will help you build wealth and be happy If you desire a better future this is a resource you can t afford to be without
