Why Gods Justice Matters

Why Gods Justice Matters:

Why God's Justice Matters Debbie Gwomensmith, Lisa Baba Lauffer, 1997 **A Dozen Things God Did with Your Sin (And Three Things He'll Never Do)** Sam Storms, 2022-01-13 Understand How God Banishes Your Sin So You Can Let It Go Too Every Christian has experienced days or even seasons of feeling extreme guilt over past or present sins thinking that God is angry or disgusted with them sometimes even wondering if they re truly saved This often happens when believers fixate on their sins while forgetting what Christ has already done on their behalf at the cross Sam Storms explains it this way What consumes us is what we have done by sinning What ought to consume us is grateful meditation on what God has done with our sinning In his latest book Storms addresses this anxiety over sin by reminding believers of the good news of the gospel Beginning with an explanation of the glory of penal substitution he walks through 12 things God did with their sin including forgiving it passing over it and casting it into the depths of the sea He also explains 3 things God will never do with their sin such as counting it against them Walking through the Bible s teaching Storms helps believers find freedom joy and peace in knowing what God has done and will never do with their sin through the redemptive sacrifice of Jesus Encourages Christians in Their Personal Life and Ministry Helps the average believer who may feel unfit to serve God because of their sin Clarifies Crucial Biblical Topics Explains the important difference between eternal union with God and experiential communion with him Written by Sam Storms Author of more than 30 books including Tough Topics Kept for Jesus and A Sincere and Pure Devotion to Christ **Why Business Matters to God** Jeff Van Duzer, 2010-09-07 This book explores the nature and meaning of doing business and finds it calls for much more than most think Seattle Pacific School of Business Dean Jeff Van Duzer presents a robust Christian approach that integrates biblical studies with the disciplines of business and displays a vision of business that contributes to the very purposes of God *A House Without Walls: How Christ Unites His Ethnically Divided Church* Dan Crabtree, 2021-11-02 In light of the heart breaking ethnic division rending America today A House Without Walls seeks to foster multi ethnic harmony in evangelical congregations by bringing Biblical clarity to current racial and ethnic conversations It uses Scripture to answer some pressing questions of our day like Are all people inherently racist Does the gospel include racial justice Does the Bible advocate for white repentance A House Without Walls attempts to realign discussions about race under the Lordship of Jesus Christ focusing on Biblical understanding and applications It also includes extra Biblical research explaining the language and logic of current conversations about race within an aim towards confidence in engaging the prevalent cultural discourse on race The hopeful outcome of this work is listing unity among believers from diverse ethnic groups facilitated by this Scriptural study [You Are Not Going to Heaven \(and why it doesn't matter\)](#) Wes Bergen, 2013-07-08 Honesty Humility The purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well as those who don t Wes Bergen s aim is to cast a vision of the

church beyond divine fire insurance Bergen's contention is that salvation is something that either happens here and now on this earth or not at all. Salvation is something that happens to bodies. More importantly, salvation is something that either will happen on this earth or we risk making the world uninhabitable by human beings. Souls are irrelevant when the air is dirty, the water is undrinkable, and there isn't enough to eat. These are the things that the Bible really cares about and form the building blocks for the salvation that God offers. This is also why this book is not about heaven. The Bible is not a manual for getting to heaven. The Bible cares very little about heaven and neither should you. Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies. Forget about heaven. Either you trust in God or you don't. Now get to work helping salvation happen.

Defending God's Existence for Christians William Hartley, 2026-01-31. *Defending God's Existence for Christians* is a clear, confident, and deeply biblical guide for believers who want to stand firm in their faith in an age of doubt, skepticism, and competing worldviews. Rather than treating God as a conclusion to be proven by human reasoning, this book starts where Scripture starts with the reality that God is the necessary foundation for truth, logic, morality, meaning, and knowledge itself. Drawing from a presuppositional worldview-based approach to apologetics, this book exposes why no one is truly neutral and why every attempt to explain reality apart from God ultimately collapses under its own weight. Readers will discover how reason, science, moral values, and even the possibility of knowledge all depend on the existence of the God of the Bible. Instead of placing human autonomy at the center, this book restores God's Word as the ultimate authority for understanding the world. Written in a conversational yet intellectually robust style, *Defending God's Existence for Christians* addresses common objections to faith, including the problem of evil, suffering, science, religious pluralism, naturalism, and the charge of blind faith. It also emphasizes the heart of apologetics, showing that defending the faith is not merely about arguments but about obedience, humility, love, and trust in the work of the Holy Spirit. This book is designed not only to answer skeptics but to strengthen believers. It equips Christians to think biblically, engage thoughtfully in everyday conversations, disciple others within the church, and persevere with confidence in a world that increasingly questions absolute truth. If you are seeking a faith that is intellectually honest, spiritually grounded, and unshakably rooted in God's revelation, *Defending God's Existence for Christians* will help you see why belief in God is not optional for understanding reality and why standing firm in His truth is both reasonable and necessary today.

What Do We Believe? Why Does It Matter? Jeff Astley, 2016-04-30. *What Do We Believe? Why Does It Matter?* provides a general introduction to the basic beliefs of Christian theology together with their significance for Christian worship, living, and thinking, and the intellectual problems they raise.

Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible.
