Why Men Marry and Why Men Don't Jean Sanders Torrey,2003-01-09 The story revolves around the aftermath of an uprising by a group of people who pressed into desperation by the growing inequities within their society are living as a separate community within an area they have taken over within the heart of the city They possess the means to hold the city to ransom by means of secret flashpoints The hardship of their former lives which has led them to take such a drastic step has also taught them to transcend and not mimic the values of their former society a course which would only repeat fragmentation and their unity in their common aim has made the Zone a thriving community within an outmoded community The mistake comes with the decision by their leader to force official acceptance of the Zone s existence His reasoning is that the Zone was forced into existence by that society and

the responsibility lies with them An outsider and an idealist he serves as the chosen figurehead over the eight sections of the Zone He loves his community and wants the best for them He is convinced his demand is just and hopes thereby to elevate the status of the Zone Even though most of the Zone members are against the idea a move to force recognition goes through They realize too late the built in destructiveness of seeking acceptance from a power whose values are seen to be inferior to theirs Once the connection has been sought and made the structure starts to crumble in a downslide heading towards disaster despite the continued unwavering solidarity of the Zone members In addition to a love story between the leader of the Zone and a woman he abducts from the outside a move which brings the former partner of the woman into deep involvement in the Zone the theme is interwoven with the individual challenges faced by other strong members of the Zone against the common backdrop of their growing crisis Barbara Langford Why Men Love Bitches Sherry Argov,2002 Describes why men are attracted to strong women and offers advice on ways a woman can relate to men and gain a man s love and respect **Why Men Don't Marry** Bianca Gold, Are you tired of searching for a good husband or even a decent boyfriend in today s modern world Why are good men so hard to find And what about good women Is it true that men are afraid of commitment or is it something else entirely Do men really prefer difficult women How has feminism impacted men s attitudes towards marriage Introducing Why Men Don t Marry Why Men Pull Away Lose Interest and Avoid Marriage This eye opening book dives deep into the complexities of modern relationships to answer all these burning questions and more Through real life stories and expert analysis you ll uncover the truth behind why men are increasingly hesitant to enter into matrimony and most importantly what you can do about it Designed specifically for modern assertive women who refuse to settle this book provides invaluable guidance on how to navigate the ever evolving dating landscape You deserve a fulfilling and loving marriage and this book will arm you with the knowledge and tools to make it happen In Why Men Don t Marry you ll discover The real reasons behind men s reluctance to commit and the societal factors contributing to this trend How to transform your approach and actions to attract a man who is ready for a lifetime commitment Strategies for creating a deep emotional connection that fosters trust and builds a solid foundation for marriage Insights into the male psyche and what truly motivates men to take the leap into wedded bliss The role of feminism in shaping relationship dynamics and how it impacts men s perceptions of marriage Written in a compelling and relatable voice this book captures the emotional nuances that permeate modern relationships Whether you re searching for your soulmate or seeking to rejuvenate your current partnership Why Men Don t Marry offers practical advice and a roadmap to secure a lifelong partnership So if you re tired of endless dating disappointments and want to unlock the secrets to a fulfilling marriage this book is for you Discover the transformative power within yourself and create the future you ve always dreamed of Take action today and make your dreams of a loving and lasting marriage a reality New York Legislative Documents New York (State).
