## Why Not Just Be Christians:

**Why Not Just Be Christians?** Vance Havner, 2015-04-11 The early Christians did not adjust to the situation they adjusted the situation This world is not our rest it is a training ground for Christian character You cannot sharpen an axe on a pound of butter God's Word is absolute or it is obsolete It is wired up from heaven and when we make proper contact we get a shock But if we stay in contact we get a charge These quotations are just a tiny sampling of what you will find in this book of sermons by Vance Havner a unique servant of God whose spoken ministry spanned over seventy years and whose written ministry extended to almost forty books Dr Havner was fond of saying that the preacher's job is to comfort the afflicted and afflict the comfortable and you will find plenty of both in these pages Warren Wiersbe once said Vance Havner is imitated but he will never be duplicated Michael Catt Pastor of Sherwood Baptist Church in Albany Georgia concurs There was no one like Vance Havner His preaching style was unique powerful and pointed He was a master at turning a phrase using humor to set up a point and then driving the point home like a sharp two edged sword Every Christian should read Vance Havner If you love A W Tozer you'll love Vance Havner He was one of God's gifts to the church in the 20th century His ministry and his preaching needs to be heard in the 21st century Havner's unique style has impacted thousands of God's people through the years and he is considered by many to be the most quoted preacher in America Vance Havner used the Word of God like a sword You pick any one of his books and you could sense the presence and power of the Holy Spirit leaping off those pages Billy Graham

**The Essence of the Christian Worldview** Matt DeLockery, 2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who's right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul's Christian worldview In this book you will also find answers to some very difficult questions 1 What is God's ultimate purpose for humanity 2 Do we just do things because God told us to 3 Why does Paul tell wives to obey their husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God's commands anyway 8 How does following God's commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish
