*Half-Truths and Crazy Short Stories* Edgar Swift,2022-05-04 This book presents several chapters written by this author using the pseudonym Ole Ed The impetus for my writing these stories was to reduce the burden that I experienced from a very hectic air travel schedule that I endured before finally retiring from the Fortune 5 corporation that I was employed by for thirty years I became bored

from picking up the same ole magazines on airplanes and reading the same ole stuff I hope that these stories will provide you with a little bit of light pleasurable reading during your travels to places afar that I probably no longer yearn to go to All the stories presented in this book are based partially on my actual life experiences hence the title HalfaEURTruths I have tried to word the title of each story in a way that will not give you a hint of how that story will end Have fun and guess your heart out
