Holland,1997

The Sears Roebuck and Company's catalogs published since 1896 always included toys and dolls for children even from its earliest days. Millions of kids watched their mailboxes each year for the postman's delivery of the Sears Christmas Wishbook the unofficial start of the holiday season and the official start of a kid's Christmas list. That's probably why the nickname Wishbook stuck. Today those old catalogs so much a part of our childhood memories are virtually lost. However the toys and dolls pictured in those pages have become hot collectibles. Doll and teddy bear collectors number in the millions with numerous magazines and nationwide conventions catering to them. And now there's big news. Those lost Wishbook pages from the Baby Boomer years of the Fifties and Sixties jammed full of wonderful dolls and cute teddy bears have been reproduced in **The Doll Teddy Bear Department** an exciting new book containing authorized reproductions of the best doll and teddy bear pages from 1950 through 1969. This 8 1/2 x 11 softcover book's 192 pages illustrate hundreds of now collectible dolls and teddy bears from the wildly popular to the obscure and rare. Barbi and Ken Shirley Temple Mme Alexander Lucy and Desi's Little Ricky Betsy Wetsy Tiny Tears and hundreds of other dolls. Collectible teddy bears large and small are represented too along with dollhouses and doll accessories and their original low selling prices. Included is a commentary on the dolls manufacturers and historical relevance. No book this comprehensive has ever been published before. If you are a collector you must have **The Doll Teddy Bear Department**. Even if you're not a collector you'll love seeing these charming Wishbook pages again for the happy memories that will return. Chances are you'll spot a long forgotten childhood friend here too. Jam packed with warm and happy childhood memories. Hundreds of photographs and illustrations with accompanying commentary.

What man woman or child of the 1890s could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions of Americans on farms and in small towns across the nation. The

Montgomery Ward catalogue provides one of the few irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order house in the country The brainchild of a former traveling salesman it issued its first catalogue in 1872 a one page listing of items By 1895 the catalogue reprinted here had grown to 624 pages and listed some 25 000 items almost all of them illustrated with live drawings Montgomery Ward was by then a multi million dollar business that profoundly affected the American economy and since it reached the most isolated farms and backwoods cabins its effect on American culture was almost as great Now once again available it is our truest most unbiased record of the spirit of the 1890s An introduction on the history of the Montgomery Ward Company and its catalogue has been prepared especially for this edition by Boris Emmet Ph D Johns Hopkins a foremost expert on retail merchandising His monumental work Catalogues and Counters has long been recognized as a landmark in the study of American economic history
