The Doubleman:

Realism and Strangeness Nicholas Mansfield, 1992 *The Double Man* Freeman Benjamin Dowd, 1895 **Water from the Moon** Jean-Francois Vernay, 2007 Author of six novels Christopher John Koch born in 1932 is one of Australia's leading novelists who enjoys worldwide recognition Koch's writing has its finger on the pulse of today's changing society Not only does his work fall within a universal stream but it also stands out as a production of its own built like a puzzle with distinct pieces Through fiction Koch explores other genres the fairy tale drama poetry to the point of producing multi faceted works which challenge classification In spite of the constant renewal of his settings for action one notices the presence of a main thread which runs through Koch's fiction the antipodean and ambiguous relationship between illusion and reality This theoretically informed monograph provides a book by book analysis of the novelist's oeuvre and gives a full picture of his Weltanschauung It is valuable reference for scholars in Australian Studies as well as those researching postcolonial psychoanalytic and literary theories **The Doubleman** Christopher J. Koch, 1987 **The Doubleman** Timothy R Mahoney, 2025-06-24 *The Doubleman* The Story of Edwin McLean In the quiet town of Jacksonport Edwin McLean was more than just a man he was a legend Known on the field as The Doubleman for his unforgettable plays and larger than life presence in the local softball league Edwin was a beloved hero a father a brother and a son But when the loss of his father affectionately known as Pa becomes too heavy to bear Edwin makes a heartbreaking decision that sends shockwaves through everyone who loved him Told through emotional flashbacks raw present day moments and powerful reflections *The Doubleman* is a story about family grief healing and redemption It explores the ripple effects of Edwin's life and death on his younger brother his estranged ex wife his children and the grandchildren he never got to meet A moving blend of memory and legacy this book is a reminder that even heroes carry burdens and that sometimes the most meaningful journeys begin after the final inning The Politics and Aesthetics of Refusal Caroline Hamilton, Michelle Kelly, Elaine Minor, 2009-03-26 *The Politics and Aesthetics of Refusal* is an eclectic collection of essays from emerging academics who engage with the notion of refusal both as the embodiment of a resistance to conventional boundaries between academic disciplines and as a concept with an underlying negative or reactive force that can be widely interpreted and applied The applications of refusal outlined in this volume ranging from activism and the politics of cultural production through to problems of identity and knowledge classification raise questions about often elided relationships of agency and complicity in routine experience The sense of refusal that emerges from this book is perhaps most easily classified by what it is not namely a prescriptive conclusive or unified account of what it is to reject react or work against any particular instance of theory or practice in any given domain The value of a thematically oriented collection like this is its ability to work across disciplines media and philosophical frameworks rather than limiting its focus to a narrow territory According to Herbert Marcuse refusal must not only be the guiding principle for all artistic creation it must also be a manifestation of artistic creation itself With this volume

we have attempted to compose a collection which is not only theoretically guided by refusal but practically informed by it as well The collection in itself constitutes we hope a constructive rejection of the usual constrictions of discipline and approach placed upon new scholars This rich collection of essays on the political aesthetic and ethical dimensions of that form of social action called refusal is an important contribution to our understanding of the tensions and contradictions of contemporary culture John Frow Professor of English Literary Studies at the University of Melbourne The Arena ,1895 **Selected Essays on Canadian, Australian and New Zealand Literatures** Igor Maver,2014-06-02 These selected essays on Canadian Australian and New Zealand literatures often although not always consider individual texts and literary authors within the post colonial paradigm They discuss some of the most prominent mostly contemporary literary authors in these genres including for example Margaret Atwood C K Stead Christopher Koch David Malouf Richard Flanagan Andrew Riemer Ouyang Yu A D Hope Teju Cole from the USA and others Several studies focus on significant issues in recent diasporic and transcultural writing in English including the specific Slovenian literary production while some of the essays examine the literary representations of a country in a particular national collective consciousness Thoughts on the Metaphysics of Theosophy S. Sandaram Iyer,1883 Westerly ,1990 **The Literary World** ,1893 **The Comedie of Faire Em** Ludwig Proescholdt,Karl Warnke,1883 *The Doubleman* Christopher Koch,2013-05-01 How do we pierce the skin Did they teach you that at University Clive Broderick guitar teacher and occultist the Doubleman of the title of this acclaimed novel is speaking of power and of a realm beyond reality this is a fable of the sixties when shared belief systems crumbled and the spiritual bazaars of today opened up Christopher Koch s theme is illusion and all his characters are bound by it the Rymers are an electric folk group enjoying mounting success in Sydney their producer Richard Miller came under Broderick s spell during his youth in tasmania so did the guitarists Brady and Burr Now years after his death Broderick s presence remains with all three through his disciple Burr it will lead to nightmare tHE DOUBLEMAN was winner of the 1985 Miles Franklin Award Why have I not heard of Koch before I wonder He has an extraordinary power of evoking place and I feel now that tasmania is part of my memory Graham Greene As universal in its impact as the myth and music of Orpheus a tour de force David Rowbotham Brisbane Courier Mail A classy writer deploying a kind of dangerous power with a delicate perception Norman Shrapnel Guardian Pseudo-Shakespearian Plays Karl Warnke,Ludwig Proescholdt,1883 **Quadrant** James Phillip McAuley,1989 Pseudo-Shakespearian Plays William Shakespeare,1883 The Paradoxes of the Highest Science Eliphas Lvi,1922 **Works** Mark Twain,1922 *The Writings of Mark Twain: sketches, new and old* Mark Twain,1917 **Sketches** Mark Twain,1880
