For Dodgy Dave this is a chance to win the lottery but all goes wrong as Vernon films the past instead. Then to Vernon's horror he finds a film of his own death. He is in despair until he has to take the part of the corpse in the school play and his shouts of joy at being alive ruin another school production

Result the whole area around the school is flooded with anti gravitons and the destruction of the earth is imminent. Bright's father has to come to the rescue before everything is sucked into outer space
