## **Victorian Pubs:**

*Victorian Public Houses* Brian Spiller, 1973      *The Mid-Victorian Generation* K. Theodore Hoppen, 2000-06-30 This the third volume to appear in the New Oxford History of England covers the period from the repeal of the Corn Laws to the dramatic failure of Gladstone's first Home Rule Bill In his magisterial study of the mid Victorian generation Theo Hoppen identifies three defining themes The first he calls established industrialism the growing acceptance that factory life and manufacturing had come to stay It was during these four decades that the balance of employment shifted irrevocably For the first time in history more people were employed in industry than worked on the land The second concerns the multiple national identities of the constituent parts of the United Kingdom Dr Hoppen's study of the histories of Ireland Scotland Wales and the Empire reveals the existence of a variety of particular and overlapping national traditions flourishing alongside the increasingly influential structure of the unitary state The third defining theme is that of interlocking spheres which the author uses to illuminate the formation of public culture in the period This he argues was generated not by a series of influences operating independently from each other but by a variety of intermeshed political economic scientific literary and artistic developments This original and authoritative book will define these pivotal forty years in British history for the next generation

**Victorian Pubs** Mark Girouard, 1975      *Historic London* Stephen Inwood, 2012-06-28 There is hardly a city in the world with richer historical and cultural associations than London It is a place where history has been made for thousands of years and where it is still being made today It is not a city frozen in time preserved in its ancient medieval pomp but a place that has been at or near the centre of national life for a thousand years and at the forefront of international political cultural and economic history for each of the past five centuries Here Stephen Inwood bestselling author of *A History of London* and a lifelong student of the city's rich and vibrant history offers an explorer's guide to London's past As you walk the streets of the capital whether you live in the city or are just visiting it Inwood will show you London's history all around you stretches of Roman wall medieval churches and Tudor houses that survived the Great Fire monastic buildings that survived the Reformation street markets first established centuries ago that survive today Georgian streets and squares that were spared the wreckers ball Wren churches Victorian terraces and Inns of Court that survived the Blitz He takes you to the London of Chaucer and Shakespeare Samuels Pepys and Johnson Dickens and Darwin T S Eliot and George Orwell It is the perfect book to have in your pocket or your bag as you go about your business in this most fascinating of cities

**The Local** Paul Jennings, 2021-06-25 Paul Jennings traces the history of the British pub and looks at how it evolved from the eighteenth century's coaching inns and humble alehouses back street beer houses and fine flaring gin palaces to the drinking establishments of the twenty first century Covering all aspects of pub life this fascinating history looks at pubs in cities and rural areas seaports and industrial towns It identifies trends and discusses architectural and internal design the brewing and distilling industries and the cultural significance of drink in society Looking at everything from music and games to opening

times and how they have affected anti social behaviour The Local is a must read for every self respecting pub goer from landlady to lager lout

**The Victorian Statutes** Victoria,1876

**Victorian London** Lee Jackson,2004 When Queen Victoria was in power it was a period of massive development in London Much of contemporary London owes a great deal to its Victorian heritage and influence From the cultural highs of museums and theaters to the perennially popular pubs and markets the influence of the Victorians is evident in many commonplace London scenes Victorian London is a guide to the London of this period and the glorious evidence that remains in London s landscape and today s society Author Lee Jackson is an entertaining guide who relates his detailed knowledge of many aspects of the social history of the period architecture popular culture education crime and punishment food and drink shopping and transport Superb photographs illustrate this celebration of Victorian history and architecture This book is ideal for residents and visitors alike

**The Victorian City** Harold James Dyos,Michael Wolff,1973 Originally published by Routledge Kegan and Paul in 1973 The Victorian City is a major landmark particularly in the study of the social and intellectual attitudes of Victorian society to the challenge of urbanization This reissue can be purchased as a 2 volume set or as individual volumes The Victorian City Volume 10 415 19323 0 165 00 Y Can 247 50 Y The Victorian City Volume 20 415 19324 9 165 00 Y Can 247 50 Y

*London, a Social History* Roy Porter,1998 An extraordinary city London grew from a backwater in the Classical Age into an important medieval city and significant Renaissance urban center to a modern colossus full of a free people ever evolving Roy Porter touches the pulse of his hometown and makes it our own capturing London s fortunes people and imperial glory with vigor and wit 58 photos

[A History of Drink and the English, 1500-2000](#) Paul Jennings,2016-02-05 A 2017 CHOICE Outstanding Academic Title award winner This book is an introduction to the history of alcoholic drink in England from the end of the Middle Ages to the present day Treating the subject thematically it covers who drank what they drank how much who produced and sold drink the places where it was enjoyed and the meanings which drinking had for people It also looks at the varied opposition to drinking and the ways in which it has been regulated and policed As a social and cultural history it examines the place of drink in society and how social developments have affected its history and what it meant to individuals and groups as a cultural practice Covering an extended period in time this book takes in the important changes brought about by the Reformation and the processes of industrialization and urbanization This volume also focuses on drink in relation to class and gender and the importance of global developments along with the significance of regional and local difference Whilst a work of history it draws upon the insights of a range of other disciplines which have together advanced our understanding of alcohol The focus is England but it acknowledges the importance of comparison with the experience of other countries in furthering our understanding of England s particular experience This book argues for the centrality of drink in English society throughout the period under consideration whilst emphasizing the ways in which its use abuse and how they have been experienced and perceived have changed at different historical moments It is the first scholarly work

which covers the history of drink in England in all its aspects over such an extended period of time Written in a lively and approachable style this book is suitable for those who study social and cultural history as well as those with an interest in the history of drink in England

Gin and the English Paul Jennings,2024-08-21 This book charts the history of gin from its arrival in England in the sixteenth century to the present day In doing so it uses a range of perspectives economic social cultural and political to give a rounded picture of how the spirit developed in the way it did over some 400 years It looks at how gin s popularity has ebbed and flowed over the centuries among different groups in society It is therefore concerned with the drinkers of gin and why they chose it and at the meanings which they attached to its consumption Gin was particularly popular with women and the spirit is often associated with them in phrases like Mother s Ruin This also alerts us to the fact that gin has often had a bad press never more so than in the infamous Gin Craze of the first half of the eighteenth century so vividly depicted in Hogarth s Gin Lane The book attempts to tell something of the real history of gin beneath the frequent condemnation It ends with the resurgence of gin s popularity with the emergence of so called designer gins in the twenty first century

**The English Pub** Peter Haydon,1994    **Victorian Year-book** Victoria. Government statist,1875  
The Victorian Historical Magazine ,1914    *The Bulletin* ,1889    *Guide to London Pubs* Martin Green,Anthony John Nigel White,1965    *Victorian Year-book* ,1886    **The Victorian Law Reports** Victoria. Supreme Court,1882  
Encyclopedia of the Victorian Era James Eli Adams,2004 Contains 627 alphabetically arranged essays that examine significant people places and events in the social political and intellectual history of Great Britain during the sixty four year reign of Queen Victoria from 1837 to 1901    Survey of London ,2008
