**Victory Over the Devil** Jack R. Taylor, 2013-04-10 Victory Over The Devil The devil and demons are largely ignored in modern Christianity because they are only quietly assumed to exist instead of being firmly resisted This book affirms their existence and gives certain hope of applied victory in both the individual and in the Church itself To ignore them is to leave one defenseless against them The Gospel of the Kingdom is the message that Jesus has overcome sin Satan and death There is Victory Over The Devil in Jesus Christ Although this book was written several decades ago it remains a fresh look at what the Bible says about the devil demons angels and the believer's authority in Jesus Christ It will equip you with the spiritual weapons to combat and defeat the devil This book will explain the unexplainable from scripture and prepare you to confront your spiritual enemies Satan and demons and cooperate with your spiritual allies the angels Published by Burkhart Books Bedford TX 2013 [www.burkhartbooks.com](http://www.burkhartbooks.com)

**Christ Victorious** Dr. Cliff Boone, 2018-09-25 After over three decades of pastoral and missionary experience author and pastor Dr Cliff Boone is no longer surprised to hear certain questions and concerns How can I tell if my temptation has a demonic element or is only because of my sinful self I know that we are told to resist the devil but how do I do that How much influence can Satan have over a Christian Is there a way I can protect myself and my children Are my weird and frightening dreams because of evil spirits How do I recognize when I'm being attacked by the evil one This topic makes me afraid Why can't I just ignore it This book gives the answers to these questions and more Dr Boone explains what it means to resist the devil and why it is important to do so Rather than be afraid and defeated we can be equipped to experience Christ's victory over the evil one

*Victory Over Satan* Fischer Alex, 2017-08-31 Religious book shops and book stands have been filled in recent times with books and pamphlets containing sensational stories of encounters deliverance miracles and revelations The book you are holding in your hand is not another sensation book The writer of this book is a respected Senior Civil Servant in his Ministry so he is not out looking for a job or for monetary gains He is also a deacon in his church whose knowledge of the scriptures is profound so he is not interested in establishing a new church which unfortunately appears to be in fashion nowadays The book in your hands is the account of one man's experience of how God has used him to bring deliverance to those whom Satan had bound in one form or another If the claims appear to you to be fantastic and perhaps incredible I urge you to hold your suspicion and skepticism in check until you have read through the whole book You will discover that this is more than a story of other people's deliverance It is a guide a personal guide to every Christian living in our society and culture today on how you can live your life victoriously as an overcomer protected by the name of Jesus Christ the name above all other names One of the ploys that Satan the enemy of God's people uses under the guise of Science enlightenment and sophistication is to get people to deny that Satan is real The more people believe that Satan is not real the easier it is for the father of lies and the inventor of deceit to operate like an under cover agent But of course to deny Satan's operations is not biblical for the Word of God tells us that the son of God

was manifested so as to destroy the works of Satan Every Christian therefore who is a living Christian must be on full alert to the strategies and devices of the evil one and accordingly take the steps outlined in this work to ensure your Victory over Satan One thing you can rest assured that at the Name of Jesus every knee shall bow TO GOD BE ALL THE PRAISE AND GLORY *Delivered from Evil* Anne Field,2005 Jesus tells us in the Gospel of Luke that he has overcome the strong man Satan attacking and defeating humanity s ancient enemy We are equipped to share in this victory provided we are careful not to let the old enemy deceive us again Saint Leo tells us in this lively translation of his sermons His dazzling description of the action of God in Jesus and his compassionate encouraging advice to each of us What mighty weapons the Lord has provided for us We have tremendous grounds for confidence strengthen us for successful Christian living Leo the Great has been honored for over a thousand years as a Father of the Church His teaching helped shape the basic beliefs that remain central to Christian faith This remarkable collection of readings brings Leo s voice directly to bear on the spiritual concerns of modern Christians Ultimately he tells us By freely surrendering our lives to the Lord we secure a peace with God that nothing can destroy *Delivered from Evil* is an ideal book for daily reading meditation and prayer **The Young Man's Victory Over the Devil: a Sermon [on 1 John ii. 13], Preach'd to a Society of Young Men in ... **The Sequence** Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i.e Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it's theoretically impossible Scripture's six sequences only confirm one sequence and it is the one which has been presented in The Sequence

**The Fundamental Doctrines of the Christian Faith** Reuben Archer Torrey,1918 The author of these sermons has had a feeling for a long time that the great need in our churches in this day is systematic indoctrination He put his theory into practice last winter in his own church and these sermons are the result We were having a great many accessions to our church In the two years of the church's history we had had something like six hundred accessions to the church and every month considerable numbers of new members were being added While many of these came by letter from other churches many of them were new converts and had had practically no systematic instruction in the fundamental truths of the Christian faith so we announced a series of sermons on The Fundamental Doctrines of the Christian Faith There was immediately a large increase in the attendance at the services where these addresses were given and this increase has kept up until on the last Lord's Day we had much the largest attendance we have ever had excepting on Easter Sunday Many have testified to the blessing received from these sermons and there has been a great demand that the sermons be printed for general circulation This request has come from ministers of various denominations Episcopalians Presbyterians Methodists Baptists and others It is hoped that this volume will be useful to other pastors in suggesting lines of teaching in their regular pastoral work and also that it may be used widely by pastors and others for circulation among Christians We live in a day in which many of our church members are all at sea as to what they believe on the fundamental doctrines of the Christian faith These sermons have already helped many through their delivery It is hoped they will reach and help far more in the printed form

**War on the Saints** Jessie Penn-Lewis,Evan Roberts,2005-06-30 The Hour of Revival is a time of crisis and few go through it without deception by the enemy Bluntly the Revival Hour is the occasion for evil spirits to fool the most spiritual believers into becoming deceived and almost without exception true and false have been accepted together Evil spirit possession has followed and checked every similar revival throughout the centuries since Pentecost and these things must now be understood and dealt with if the Church is to advance to maturity
