We Knew Jesus:

Does Jesus Know Us--do We Know Him? Hans Urs von Balthasar,1983-01-01 The two reflections that form this book do not claim to mediate in the conflict between naive piety and scientific exegesis They arise from the conviction that only the Scriptures of the New Covenant taken as witnesses of faith and in their entirety can produce a tangible and credible portrait of Jesus Christ whereas every critical attempt to approach him from a position other than that of the faith witnessed to in the Scriptures can only result in a pallid distorted picture unworthy of belief and hence devoid of interest It is a fact only the person who is convinced that Jesus knows him personally gains access to knowledge of him And only the person who is confident of knowing him as he is can know that he is also known by him

Celebrating the Lectionary for Intermediate Grades 2010-2011 Mary Kay Kelley,Catherine G. Johnson,2010-07-15 **We Knew Him** George H. Dawe,2012-05-10 We Knew Him is a collection of monologues describing personal encounters with Jesus of Nazareth The series began as talks for special occasions Drawing on various resources the author created this material for scripts and dramatic sermons Here readers will relive experiences of men and women engaging Jesus in one on one dialoguesome to love Him and others to hate Him but all to be inspired and challenged by Him In We Knew Him the author invites New Testament individuals to tell their stories Actually the author becomes the characters slipping on their sandals to relate accounts of how they knew Jesus
