We Must Run While They Walk:

We Must Run While They Walk William Edgett Smith, 1972 **Every Hill a Burial Place** Peter H. Reid, 2020-09-01 On March 28 1966 Peace Corps personnel in Tanzania received word that volunteer Peppy Kinsey had fallen to her death while rock climbing during a picnic Local authorities arrested Kinsey's husband Bill and charged him with murder as witnesses came forward claiming to have seen the pair engaged in a struggle The incident had the potential to be disastrous for both the Peace Corps and the newly independent nation of Tanzania Because of the high stakes surrounding the trial questions remain as to whether there was more behind the final not guilty verdict than was apparent on the surface Peter H Reid who served as a Peace Corps volunteer in Tanzania at the time of the Kinsey murder trial draws on his considerable legal experience to expose inconsistencies and biases in the case He carefully scrutinizes the evidence and the investigation records providing insight into the motives and actions of both the Peace Corps representatives and the Tanzanian government officials involved Reid does not attempt to prove the verdict wrong but examines the events of Kinsey's death her husband's trial and the aftermath through a variety of cultural and political perspectives Meticulously researched and replete with intricate detail this compelling account sheds new light on a notable yet overlooked international incident involving non state actors in the Cold War era

In This Land of Plenty Benjamin Talton, 2019-08-23 On August 7 1989 Congressman Mickey Leland departed on a flight from Addis Ababa with his thirteen member delegation of Ethiopian and American relief workers and policy analysts bound for Ethiopia's border with Sudan This was Leland's seventh official humanitarian mission in his nearly decade long drive to transform U S policies toward Africa to conform to his black internationalist vision of global cooperation antiracism and freedom from hunger Leland's flight never arrived at its destination The plane crashed with no survivors When Leland embarked on that delegation he was a forty four year old deeply charismatic fiercely compassionate black radical American He was also an elected Democratic representative of Houston's largely African American and Latino Eighteenth Congressional District Above all he was a self proclaimed citizen of humanity Throughout the 1980s Leland and a small group of former radical activist African American colleagues inside and outside Congress exerted outsized influence to elevate Africa's significance in American foreign affairs and to move the United States from its Cold War orientation toward a foreign policy devoted to humanitarianism antiracism and moral leadership Their internationalism defined a new era of black political engagement with Africa *In This Land of Plenty* presents Leland as the embodiment of larger currents in African American politics at the end of the twentieth century But a sober look at his aspirations shows the successes and shortcomings of domestic radicalism and aspirations of politically neutral humanitarianism during the 1980s and the extent to which the decade was a major turning point in U S relations with the African continent Exploring the links between political activism electoral politics and international affairs Benjamin Talton not only details Leland's political career but also examines African Americans successes and failures in influencing U S foreign policy toward African and other Global South

The Magician William Somerset Maugham, 1908 Though Aleister Crowley served as I have said as the model for Oliver Haddo it is by no means a portrait of him I made my character more striking in appearance more sinister and more ruthless than Crowley ever was I gave him magical powers that Crowley though he claimed them certainly never possessed Crowley however recognized himself in the creature of my invention for such it was and wrote a full page review of the novel in Vanity Fair which he signed Oliver Haddo I did not read it and wish now that I had I daresay it was a pretty piece of vituperation but probably like his poems intolerably verbose W Somerset Maugham
