Wealth Creators:

The Wealth Creator's Playbook John Christianson, 2019-03-22 An advisor to many of today's most successful wealth creators explains how to align your values with your wealth including the ways in which it is earned, managed, and spent to maximize both wealth and personal fulfillment. Money is something most people fantasize about; if only financial independence became a reality, then life would be easier and more fulfilling. Wealth creators soon discover that while money provides incredible opportunities, it can also bring unexpected consequences: isolation, relationship challenges, and a lack of purpose that are often byproducts of achieving financial success. Wealth is a gift that involves practical, psychological, and spiritual stewardship. Wealth creators desperately need advice they can trust to maximize, not just manage, the gift of wealth. Drawing on wisdom from John Christianson's 25 years of experience advising some of the most successful wealth creators in the country, this book explores money, emotional intelligence, roadblocks around money and relationships, kids and money, generosity, identity, and aligning your values with your money. *The Wealth Creator's Playbook* is the go-to guide for individuals who are chasing financial success and the richness of a deeply fulfilling life.

The Wealth Creators Gerald Gunderson, 1989 Truman Talley books. Includes bibliographies and index. *The Wealth Creators* Roy C. Smith, 2007-04-01. The last two decades saw a greater rise in wealth than during any comparable period in history. Now meet the wealth-driven people behind the dollars. *The Multi-Millionaires: How Much They Made, How Each One Made It*. At the beginning of 2000, there were nearly three hundred billionaires and five million millionaires living in the United States. Total household wealth had reached 37 trillion, up from just over 8 trillion when Ronald Reagan became president. The stories of these super-rich men and women reflect the social and economic history of the last twenty years. Roy C. Smith's *The Wealth Creators* takes the reader into five core areas of opportunity today, as well as the career turning points of key individuals in each: Entrepreneurs like Mike Bloomberg, Sam Walton, and Ted Turner; Dealmakers such as Kirk Kerkorian, Ron Perelman, and Larry Tisch; Investors like Warren Buffett and financiers like George Soros; Corporate executives such as Jack Welch, Sandy Weill, and Michael Eisner; and entertainers like Oprah Winfrey, Steven Spielberg, and Tiger Woods.
