## Weather Proverbs And Quotes:

Weather Proverbs George D. Freier,1989-01-01      Weather Proverbs (1883) Henry Harrison Chase Dunwoody,2008-10-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work      The Wonder of Weather George D. Freier,2004-04-01 Despite highly sophisticated computerized technology studied by experts to read and interpret weather and weather patterns there is something about age old weather proverbs folklore poems and sayings that stand the test of time and accuracy Freier s fascination with changeable weather started when he was a child on a Wisconsin farm and although he went on to scientific studies of weather his lifelong collecting of weather folklore has enabled him to put together this remarkable book In addition to the proverbs sayings and folklore and the clear explanation for what they mean Freier also provides info about meteorological issues such as humidity atmospheric pressure fronts occlusions and lightning An original and entertaining book Illus      Weather Lore ,1898      **Japanese Proverbs and Sayings** Daniel Crump Buchanan,1965 Collection of 2 500 maxims and adages selected as illustrative of Japanese thought giving transliterations of Japanese originals as well an English parallels      Weather Lore Richard Inwards,2014-12-11 Published in 1893 this is the second edition of an entertaining and fascinating collection of proverbs rhymes and sayings about the weather      **WEATHER PROVERBS.** H. H. C. DUNWOODY,2025      **Putnam's Complete Book of Quotations, Proverbs and Household Words** ,1929      Weather Lore Richard Inwards,1994-01-01      **WEATHER LORE** RICHARD. INWARDS,2018      Weather Proverbs Henry Harrison Chase Dunwoody,William Babcock Hazen,1883      **Weather Wisdom** Stewart A. Kingsbury,Mildred E. Kingsbury,Wolfgang Mieder,1996 This collection of 4 435 proverbs superstitions and signs concerning the weather is the most comprehensive survey ever put together for English and American weather wisdom Included are figurative proverbs predicative sayings superstitions and weather rules attached to particular dates While they lack the scientific precision of modern meteorology these proverbs contain the collective wisdom of generations of people who have depended on knowing at least to some degree of certainty what the weather might bring The texts are based on oral and written sources with each text and its variants being annotated by references to major collections of weather lore from the nineteenth and twentieth centuries In addition to this comprehensive list of traditional meteorological sayings the book also includes an introduction to the origin history dissemination meaning and value of these folk expressions A bibliography for the large field of weather folklore and an index are provided to facilitate the use of this volume Its content should be of interest to anybody interested in weather lore both the general public and professional meteorologists      Weather Lore: Weather in General Richard Inwards,2015-05-07 A charming and beautifully illustrated book first published in 1893 covering all aspects of the weather

**Weather Folk-Lore and Local Weather Signs** Edward B. Garriot, 2001-09 Evening red and morning gray two sure signs of one fine day science and folk lore with the science as a predominating matter let us know How to tell the weather from clouds dew mist haze fog wind stars rainbows rain hail birds animals insects fish and plants The wisdom acquired from our ancestors has been perpetuated in the form of trite sayings or proverbs Many of these sayings are polished gems of weather lore others have lost their potency by transfer to foreign lands where dissimilar climatic conditions obtain and a large proportion have been born of fancy and superstition This book separates from the mass of available data the true sayings that are applicable to the United States and combines the material thus collected with reports on local weather signs that have been officially and specially prepared by observers of the United States Weather Bureau

Weather Lore Richard Inwards, 2015-08-05 Excerpt from Weather Lore A Collection of Proverbs Sayings and Rules Concerning the Weather The state of the weather is almost the first subject about which people talk when they meet and it is not surprising that a matter of such importance to comfort health prosperity and even life itself should form the usual text and starting point for the conversation of daily life From the earliest times hunters shepherds sailors and tillers of the earth have from sheer necessity been led to study the teachings of the winds the waves the clouds and a hundred other objects from which the signs of coming changes in the state of the air might be foretold The weather wise amongst these primitive people would be naturally the most prosperous and others would soon acquire the coveted foresight by a closer observance of the same objects from which their successful rivals guessed the proper time to provide against a storm or reckoned on the prospects of the coming crops The result has been the framing of a rough set of rules and the laying down of many wise saws about the weather and the freaks to which it is liable Some of these observations have settled down into the form of proverbs others have taken the shape of rhymes while many are yet floating about unclaimed and unregistered but passed from mouth to mouth as mere records of facts varying in verbal form according to local idioms but owning a common origin and purport Many weather proverbs contain evidence of keen observation and just reasoning but a greater number are the offspring of the common tendency to form conclusions from a too limited observation of facts Even those which have not been confirmed by later experience will be interesting if only to show the errors into which men may be led by seeing Nature with eyes half closed by prejudice or superstition It has seemed to me desirable that all this fossil wisdom should be collected and I have
