Wedding Within The War:

A Wedding in War-time Emory James Haynes, 1889 **Spelthorpe at War** Ashley Clark, 2025-09-28 The Spelthorpe Trilogy A delightful tale of history romance and mystery set on the stunning Norfolk Coast in three books spanning two decades between 1932 and 1953 in a rural community called Spelthorpe The community fiercely protects its own In this second book the children of the key families reach adulthood With dramatic events they grow up quickly Passions are intense and with the advent of war the Merdogs take a back seat The Spelthorpe Company becomes fully involved in the war effort at home when they are devastated by personal tragedy They come through a brutal war displaying extreme courage at Dunkirk in the air with the RAF and in occupied France but they strive to return to Spelthorpe a place where you will feel you should belong You will want to go there and never leave *Tales of the Home Folks in Peace and War* Joel Chandler Harris, 1898 Twelve stories about the poor and wealthy people of the South before during and after the Civil War **Children in War** Elon Perry, 2024-06-30 Author Elon Perry uniquely combines the narrative of a challenging childhood amidst wartime struggles with the gripping tale of military service in a commando unit The book differs from other books on the subject because the plot revolves around two themes a difficult and impoverished childhood during times of war and military service in a commando unit carried out with the aim of exacting revenge on the enemy and featuring vivid and detailed descriptions of battles In the book real stories and events are infused including daring operations from the battlefield Some of these accounts have never before been published and only today 40 years after the events has the Israeli censorship allowed them to be shared This story can be an inspiration to people who find themselves in desperate situations They can learn how against all odds and in any given situation one can survive difficulties as long as one has the will perseverance and belief that anything is possible **Royals at War** Dylan Howard, Andy Tillett, 2020-06-30 Reveals Shocking Revelations about Prince Harry Meghan Markle and the British Royal Family and the Divisive Rifts Between Them This explosive exposé *Royals at War* takes readers inside a riven Buckingham Palace to provide the definitive account of the unfolding abdication crisis of 2020 dubbed Megxit during which the Duke and Duchess of Sussex Prince Harry and Meghan Markle became royal outcasts Through revealing interviews with royal family insiders friends aides historians royal watchers and others with intimate knowledge of The House of Windsor this tell all book looks back at the events motives and crises which led to Harry sixth in line to the throne dramatically abandoning his birthright in a move not seen for nearly a century when King Edward VIII also gave up the crown for the woman he loved as Europe teetered on the brink of fascism and war Like Edward and Wallis Simpson the catalyst for the scandal here is also an ambitious controversial American woman Dylan Howard bestselling author of *Diana Case Solved* and *Epstein Dead Men Tell No Tales* charts how Meghan's relationship with Harry was viewed as controversial from the start and how her brief honeymoon with the British public began to sour shortly after she and Harry announced in November 2018 that they would be leaving Kensington Palace to move to Frogmore Cottage an hour outside

London As senior royals expressed disapproval the public at first seemed to enjoy the royal spat with many still supporting Team Meghan until it emerged that the bill to renovate Frogmore Cottage to Meghan s lavish expectations would be 3 million and be picked up by British taxpayers Finally in a move nobody saw coming Harry announced he was turning his back on the role he had been groomed for since birth giving up his HRH title repaying the renovation costs of Frogmore Cottage abandoning his royal duties and leaving Britain for good Buckingham Palace reeled Howard s unique access and insight into this constitutional crisis will not only address the tensions and tantrums behind closed palace doors but seek to answer the questions many are still asking Has Prince Harry ever really recovered from the death of his mother Diana and the resentment he feels against the institution that tried to destroy her Why did Meghan once hailed as a breath of fresh air rile up the monarchy Why did she refuse to conform to royal conventions in the way that Catherine did before her Did the public and media criticism of Meghan go too far And just how valid are the accusations of racism How did these modern royals treat the tabloids differently to tradition And did it backfire What next for Harry and Meghan And how will they and the institution they ve turned their back on react to their new lives outside the confines of the Palace and free from the strict codes and conventions that bind all members of the Royal Family Caught in a trap by virtue of a life entombed in a gilded cage Royals at War answers these questions and more and reveals how Harry s infatuation with Meghan and desire to modernize the monarchy could yet end in disaster for the House of Windsor Played out against the cataclysm of the British tabloid s laser focus on the duchess every movement for good or ill this is the true story of Harry and Meghan s split from the Establishment and perhaps just the beginning of a whole new Monarchy redefined for the modern age

Through Egypt in War-time Martin Shaw Briggs, 1918 In the good old days before the war Egypt was the happy hunting ground of millionaires Now we of the E E F have entered their preserve in our hundreds of thousands obtaining admission by the simple expedient of donning a khaki uniform We too have danced to Shepherds band and have sentimentalised over the Sphinx by moonlight The wealthy tourists stayed in Cairo in Luxor and in Assouan doing their sight seeing from the deck of a comfortable steamer on the Nile Many of us have lived in Cairo or in Alexandria most of us have seen something of those cities during our local leave and a fortunate few have visited Luxor and even Assouan But the steamers ceased running long ago and now the millionaires haunt the hotels no more The Egypt we know is very different from the tourist s Egypt During 1916 most of us were encamped on the bare sands of Sinai on the unknown Libyan coast in remote oases far out in the western desert or in little mosquito ridden towns on the Nile In 1917 we marched into Palestine and spent the summer in the dusty barley fields outside Gaza or on the

banks of the desolate Wadi Ghuzze Travel books describing Egypt and Palestine exist in hundreds but they dismiss in a few lines the places we know best The object of this volume is to picture Egypt as the soldier has seen it from Sollum on the borders of Tripoli to Gaza in Palestine and from the Mediterranean to the First Cataract at Assouan It has no military significance for it only records the trivial doings of a non combatant who has had the unusual experience of having lived in nearly all the camps occupied at various times by the E E F This book has been prepared under unfavourable conditions during constant travelling involving many interruptions p 5 The Publishers Weekly ,1916 *Film Year Book* ,1938
