Contested Ground Geoffrey Bleakley,2002 Born in the social and political turmoil surrounding the struggle over the fate of Alaska s public lands Wrangell St Elias National Park and Preserve was and in many respects remains contested ground This study identifies and clarifies the complex assortments of policies and issues that led to the creation of the park and have

shaped its operations for the past two decades [Israel/Palestine in World Religions](#) S. Ilan Troen,2024-04-24 The struggle over Israel Palestine is not just another contest by competing nationalisms or an instance of geopolitical competition It is also about control of sacred territory that involves local Jews Muslims and Christians as well as worldwide faith communities each with their own interests and stake in what transpires This balanced introduction to a complex subject presents the multiple positions within the great monotheistic traditions It demonstrates that the secular discourses in the public square concerning ownership privileges historical precedence political rights and justice that have allegedly replaced religious claims actually coexist with and often complement the theological It explores the century long tangle of secular and theological debates about Israel s legitimacy Whether readers support a Jewish state or are resolutely opposed the serious and substantial scholarship of this well reasoned and innovative book will contribute to a nuanced and better informed understanding of this persistent issue that has entered its second century on the international agenda **Israel** James D. Hacker,2004-06 [The Message of Obadiah, Nahum & Zephaniah](#) Gordon Bridger,2024-04-02 At the heart of the rarely read or preached books of Obadiah Nahum and Zephaniah are important themes like God s character facing up to sin and judgment responding in repentance and hoping for future salvation and restoration In this BST volume you ll find prophets that spoke to the real world and continue to speak to us today **The Gospel and Israel** Paul F. Morris,2014-04-07 The mission of the church to the Jews is a unique one The biblical theological and practical issues differ from those with other groups because Israel was and is the people to whom God gave his promises However the unbelief of many Jewish people and the persecution of Jewish people in the name of Jesus makes mission to the Jews uniquely difficult requiring considerable sensitivity But it is also full of hope for there is promise of both a remnant and a fullness coming to faith in Jesus the Messiah The lectures in this book were part of a series organized by Christian Witness to Israel in Australia to explore this unique challenge and to encourage an intelligent heartfelt and persevering interest in mission to the Jewish people The studies focus on Biblical theological historical and current issues They were named the Edersheim Lectures after Alfred Edersheim the well known nineteenth century Jewish Christian scholar and author who served in Romania as a missionary and in the United Kingdom as a pastor Following in his example **The Gospel and Israel** engages in an in depth examination of themes relating to the Jewish people and the Christian faith **The Future Restoration of Israel** Stanley E. Porter,Alan E. Kurschner,2023-06-02 This volume is the most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature **Select Thoughts on the Ministry and the Church,**

Etc., Gathered from the Literature of All Times, and Arranged for Immediate Reference Edwin Davies,1875 **Ohio Archæological and Historical Quarterly** ,1895 **Journal of Proceedings and Addresses of the ... Annual Meeting** National Education Association of the United States. Meeting,1913 Nineteenth Century, a Monthly Review ,1916 **A Dictionary of Poetical Illustrations, Specially Selected with a View to the Needs of Pulpit and Platform** Robert Aitkin Bertram,1877 **God and Global Order** Jonathan Chaplin,2010 and for the larger global order Chris Seiple President Institute for Global Engagement and Publisher of *The Review of Faith International Affairs* Essays, Reviews and Addresses James Martineau,1890 *The Bible and Zionism* Nur Masalha,2007-08-01 Does the bible justify Zionism Since the foundation of the Israeli state in 1948 Torah and tank have become increasingly inseparable resulting in the forced expulsion and subjugation of millions of indigenou s Palestinians Nur Masalha s groundbreaking new book traces Zionism s evolution from a secular settler movement in the late 19th century to the messianic faith it has become today He shows how the biblical language of chosen people and promised land has been used by many Christian and Jewish Zionists as the title deeds for Israel justifying ethnic division and violence With Edward Said Masalha argues that a new politics of peace can only be achieved through a single democratic state which replaces religious zealotry with secular equality **The Jewish Center** ,1924
