Motherloss Lynn Davidman,2002-04-09 Lynn Davidman has written a courageous and important book about the impact of losing one s mother at an early age Courageous because this is painful material no one who reads it can help but recall their own mother s passing even if not at an early age and important because it seems there are few if any other books like it Virginia Olesen University of California San Francisco This is an interesting important well written book on a profoundly moving subject Barbara Katz Rothman author of Genetic Maps and Human Imaginations This is an important contribution to our understanding of the social construction of personal loss It s an absorbing read and a vivid often poignant description of the response to mother loss Motherloss is a real find for anyone interested in the importance of mothering Arlene Kaplan Daniels Northwestern University Sociology should focus on the most important human experiences and Lynn Davidman gives us a sensitive account of the experience of losing one s mother She shows that a sociology focused on meaning and identity best enables us to understand the personally unique experience of this loss for any individual without losing the shared cultural and social context in which such loss is also given form Nancy Chodorow author of The Power of Feelings **Why Afterschool Matters** Ingrid A. Nelson,2016-12-08 Increasingly educational researchers and policy makers are finding that extracurricular programs make a major difference in the lives of disadvantaged youth helping to reduce the infamous academic attainment gap between white students and their black and Latino peers Yet studies of these programs typically focus on how they improve the average academic performance of their participants paying little attention to individual variation Why Afterschool Matters takes a different approach closely following ten Mexican American students who attended the same extracurricular program in California then chronicling its long term effects on their lives from eighth grade to early adulthood Discovering that participation in the program was life changing for some students yet had only a minimal impact on others sociologist Ingrid A Nelson investigates the factors behind these very different outcomes Her research reveals that while afterschool initiatives are important they are only one component in a complex network of school family community and

peer interactions that influence the educational achievement of disadvantaged students Through its detailed case studies of individual students this book brings to life the challenges marginalized youth en route to college face when navigating the intersections of various home school and community spheres Why Afterschool Matters may focus on a single program but its findings have major implications for education policy nationwide **The Cosmopolitan** ,1912 *Drama* ,1922 **I Know Why the Aliens Don't Land!** Jeremy Vaeni,2003-12 **GJS II** Shawn Stewart Ruff,2016-02-01 Inspired by the William Jefferson Clinton White House scandals a pulpy page turner of tabloid intrigue The steady rise and stunning fall of a wealthy Cincinnati family is brought to life at the height of Monica Lewinsky scandal Self made businessman Griffin Jewells Saunders II is a handsome black embodiment of the American dream A lucrative business alliance with his Clinton cabinet appointed half brother easily ensnares in the Republican attack machine Griffin s frantic efforts to evade imprisonment and public shame push both him and his family to the brink his attention desperate bisexual teen son becomes the unwitting victim of a gay pornography ring his local celebrity self absorbed wife plots to use a blackmail scheme to catapult to the national stage GJS II twists and spirals in prose by turns lyrical and coarse with political incorrectness At times it s hard to know whom to root for but the read is always riveting Urban Literary Fiction Explicit **Association Men** ,1919 *American Illustrated Magazine* ,1926 **Cosmopolitan** ,1912 *Herald and Presbyter* ,1907 *Everybody's Magazine* ,1919 The Drama ,1920 *The Drama Magazine ...* Charles Hubbard Sergei,William Norman Guthrie,Theodore Ballou Hinckley,1922 *Success* ,1921 American Magazine ,1919 *Penruddocke* Hamilton Aïdé,1873
