

Why Marriage

Thomas Harper

Why Marriage:

Why Marriages Succeed or Fail John Gottman, 2012-04-12 Psychologist and top marriage guru John Gottman has spent twenty years studying what makes a marriage last now you can use his tested methods to evaluate strengthen and maintain your long term relationship This ground breaking book will enable you to see where your strengths and weaknesses lie what specific actions you can take to improve your marriage and how to avoid the damaging patterns that can lead to divorce It includes Practical exercises and techniques that will allow you to understand and make the most of your relationship Ways to recognise and overcome the attitudes that doom a marriage Questionnaires that will help you evaluate your relationship Case studies and anecdotes from real life throughout

Why Marriage Matters Glenn T. Stanton, 1997 Based on 100 years of social science research this book gives you reasons to believe in marriage in a society characterized by a lack of commitment

Why Marriages Succeed Or Fail John Gottman, John Mordechai Gottman, Nan Silver, 1995-06 What you can learn from the breakthrough research to make your marriage last

I . . . Do? Andrea Mrozek, Peter Jon Mitchell, 2024-11-11 For many today marriage is a nice thing but not necessary I Do is a book to help you reconsider the central importance of marriage not simply for the couples involved but for all of us Plenty of research suggests that a good marriage encourages health wellness and happiness and that the goodness of marriage extends into our communities To this the retort comes quickly well that s the result of a good marriage Yet instead of nurturing good marriages we are throwing the baby out with the bathwater Marriage is not the solution to every problem It remains however an ideal to which we can aspire This book connects the dots between statistics public policy problems and people s experiences A better understanding of the attributes of marriage allows each one of us to invest deeper meaning into our relationships as well as enhancing and creating stronger communities The authors equip readers with the language and logic of marriage using secular research By imagining that marriage still matters we can learn to properly support and nurture marriage for the good of the world

Why Marriages Do Not Last Sandra Goodlight, 2012-01-16 God desires His children to have healthy and prosperous marriage When God created Adam He knew that it was not good for him to be alone He formed Eve and gave her to Adam as a wife Eve was the right one for Adam God will not give His Children a spouse that won t love care for cherish or support them There is no doubt that many people do not know the importance of marriage This is the reason there are plenty issues facing marriages today Some couples do not recognize these issues and those who do do not see them as a big problem and therefore ignore them Couples who ignore problems in their marriage end their relationship in divorce The Almighty is not a God of enmity and separation but a God of love and Unity The Will of God for every man and woman is to have a winning marriage This book has been specially designed to make that happen it covers issues affecting marriages and how to deal with them It comes with lots of advice that will help you build a fantastic matrimonial home It will teach you what love is and when to know that someone is the right one for you

Why Marriage is

Important to God Terence White Sr,2018-05-18 Why does God care He cares because he loves us and yearns to see his creation blessed and fruitful He told Adam and Eve to replenish the earth and gave them the means to do so The damage that sin brought in through disobedience has caused great division among those that have dared to obey God in being married The tools God gives us are quite available to those that desire to be successful in their relationship of husband and wife The beginning of this is found in the best toolbox ever put together the Word of God If you and your spouse would open it with a true heart for knowledge and instruction the author would surely and most assuredly guide you to the things required for your situation and prepare you to be an example to others He gives common sense but requires humility to grow in understanding and implementation of his wisdom I have tried over the years to help couples from every walk of life realize the importance of acknowledging that you cannot meet the demands of governing a marriage in joy and effectively raising a family without the great author and finisher of our faith I ve known couples who ignored this advice and rejected the tools made available by God and their marriages did not last or they were most miserable and all manner of discord was brought into their institution The result was bitterness infidelity and no peace and eventually it was destroyed I ve also known couples that have navigated the waters of life in their institution for well over sixty years and took the time to find the wisdom of God in using the tools he provided in raising their families and obtaining peace You too can change the course of your marriage and recover the joys you shared when you realized your love for each other You must set aside the destructiveness of pride and arrogance and pursue the knowledge understanding and the wisdom of God in Christ Jesus If you ask him he will teach you and help you restore the joy and build a strong foundation for the future of the relationship and that of your family None of us have all the answers but we have access to the one that does Jesus Christ the ultimate bridegroom I hope that you and your spouse find the peace and joy that marriage is supposed to have Meet the challenges with confidence in the Lord and each other and trust the love and friendship that brought you to the altar and God s throne always be ready to listen and slow to speak Honor the person that you are joined to before God Love ye one another Bless you both Why Marriage Matters

William Bradford Wilcox,2011 Like previous editions the third edition of Why Marriage Matters reviews the relevant research on family topics and comes to three fundamental conclusions marriage is an important social good marriage is an important public good and the benefits of marriage extend to poor and minority communities The third edition pays particular attention to new research on the impact of cohabitation on children and families It concludes with a U S Marriage Index which compiles and presents the leading indicators of marital health in the United States These indicators include 1 The percentage of adults marriage ages 20 54 2 the percentage of married persons very happy with their marriage ages 18 and up 3 the percentage of first marriages intact ages 20 59 4 percentage of births to married parents and 5 the percentage of children living with own married parents **The Religious Ceremonies and Customs of the Parsees** Jivanji Jamshedji Modi,1922
