Latest Coworking Spaces:

Evolution of New Working Spaces Ilaria Mariotti, Elisabete Tomaz, Grzegorz Micek, Carles Méndez-Ortega, 2024-02-27

This open access book provides multidisciplinary perspectives on the changing dynamics of new working spaces with insights from various European countries and observing critical theoretical approaches. Divided into two main parts, the first part focuses on the different typologies of new working spaces, identifying the changing nature of these spaces and associated concepts, taxonomies, and specific approaches to this phenomenon. The second part analyzes the location of new working spaces, examining its recent evolution and identifying new factors and geographies, offering an additional empirical analysis of different European realities. The research included in this book contributes to the current discussion of new forms and geographies of work and their impact on the territories and related policies.

New Workplaces—Location Patterns, Urban Effects and Development Trajectories Ilaria Mariotti, Stefano Di Vita, Mina Akhavan, 2021-04-02. This book explores the innovative workplaces, namely coworking spaces and makerspaces, that are emerging as a consequence of digital innovations and the related development of the knowledge economy and society in the wake of deindustrialization. Drawing on international and multidisciplinary research projects, fresh insights are provided into current trends, research methodologies, actors, location patterns, and effects, and urban and regional policies and planning. The aim is to cast light on all aspects of these new working and making spaces, highlighting their innovative geographies and the complexities of their nexus with urban and regional change processes from both the theoretical and the empirical point of view. The book includes multiple illuminating case studies from the advanced economies of North America and Europe, carefully selected for their relevance to the topic under analysis. This book is designed for an international audience, comprising not only academicians but also policymakers, representatives of civil and entrepreneurial associations, and business operators.

One Last Word Suzanne Park, 2024-04-16. With pitch-perfect humor, endearing insights, and wonderfully relatable characters, *One Last Word* is a smart and breezy read about taking hold of the life you want and refusing to let go. An absolute delight! Allison Winn Scotch, bestselling author of *Take Two*, Birdie Maxwell. What would you say to your meddling parents, your ex-best friend, your toxic boss, or your high school crush if you didn't have to face the consequences? Sara Chae is the founder of *One Last Word*, an app that allows you to send a message to anyone you want after you pass. Safeguards are in place so the app will only send when you're definitely, absolutely 100% dead. But when another Sara Chae dies and her obituary is posted online, Sara discovers that drafted messages she had drunkenly uploaded on one night have been released, one each to her emotionally charged mother, to her former best friend who ghosted her, and to her unrequited high school crush, Harry Shim. Still reeling from this disaster, Sara finds out she's been accepted into a venture capital mentorship program, and that the mentor she's been assigned to is none other than Harry, who's now a major VC superstar. With her life going from uncertain to chaotic overnight, Sara has to deal with the havoc that ensues and reopen wounds from the past to find a true path forward. A pitch-perfect

homage for fans of Annabel Monaghan Alisha Rai and Jenny Han One Last Word is an empowering laugh out loud story about a woman who learns to speak up and fight for what she wants in life and love
