Speaking Out For Women A Biblical View:

Speaking Out for Women, a Biblical View Philip Siddons, 1980 Women, Authority & the Bible Alvera Mickelsen, 1986-03-21 Editor Alvera Mickelsen presents a collection of essays from twenty seven evangelical scholars which address the biblical view of women's roles in church and society

Feminist Companion to Paul Amy-Jill Levine, Marianne Blickenstaff, 2003-01-01 The seventh volume of this Companion series is devoted to the writings ascribed to Paul but widely thought not to be genuinely from the Apostle These are of particular importance in showing how Paul's authority was exploited in the Early Church and the topics addressed often deal with Christian discipline and hierarchy Hence there is a particularly strong feminist agenda to be explored here The Pastoral Epistles Ephesians and Colossians are prominent among the writings addressed in this sparkling collection and the authors include David Scholer Luise Schottroff Bonnie Thurston Lilian Portefaix Sara Winter and Ingrid Rosa Kitzberger

The Female Prophets of the Bible The Rev. Debra Moody Bass PH.D, 2018-01-18 This book highlights five female prophets that have prophesied in both the Old Testament and New Testament The book encourages women to accept their calling from God at whatever level God appoints them Too often the female characters in the Bible have all been lumped together under the category women in the Bible This has diminished the role women like Deborah and Anna have played in God's plan for salvation God is no respecter of persons God uses whom God chooses no matter the gender

Pastoral Epistles, Volume 46 Zondervan, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation This series emphasizes a thorough analysis of textual linguistic structural and theological evidence The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor the seminary or university student the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship

Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context date authorship composition interpretive issues purpose and theology Each section of the commentary includes Pericope Bibliography a helpful resource containing the most important works that pertain to each particular pericope Translation the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words phrases and tenses yet in reasonably good English Notes the author's notes to the translation that address any textual variants grammatical forms syntactical constructions basic meanings of words and problems of translation Form Structure Setting a discussion of redaction genre sources and tradition as they concern the origin of the pericope its canonical form and its relation to the biblical and extra biblical contexts in order to illuminate the structure and character of the pericope Rhetorical or compositional features important to understanding the passage are also introduced here Comment verse by verse interpretation of the text and dialogue with other interpreters engaging with current opinion

and scholarly research Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary
