The Sustainer of Life Gary Milton Griffith SR., 2018-09-18 Gary Milton Griffith Sr is very much aware of the human condition with all of its struggles Inspired by God he uses his gift to touch the hearts of people as he handles the craft of writing to engage the minds of many to view and embrace life and love from the viewpoint of Jesus Christ So that anyone that may be hurting and in need of something better can find the joy peace and love that many are so desperately seeking He is taking the gift of poetry that he has interwoven throughout this book along with inspirational thoughts and scriptures to help illuminate many things hiding in obscured places It is the healing of the mind soul and body of people that Gary is so entrenched in He plays a vital role as he does his part for the greater good He wants to inspire others to be helpers of mankind by softening their hearts and being a sharpening stone that others may sharpen themselves upon Gary also knows that he too must be sharpened daily In this way he can truly be effective in helping people all over the world So here he paraphrases some words of Martin Luther King Jr He said I have a dream that all men will one day walk together in brotherhood So whatever part he plays Gary wants to create works of art that will inspire and delight the hearts of many and give people a bedrock to stand on *The Sustainer of Life* is his second book among many pursuits
