**Mediating Gender in Post-Authoritarian South Korea** Jesook Song, Michelle Cho, 2024-04-29

Mediating Gender in Post Authoritarian South Korea focuses on the relationship between media representation and gender politics in South Korea Its chapters feature notable voices of South Korea s burgeoning sphere of gender critique enabled by social media doing what no other academic volume has yet accomplished in the sphere of Anglophone studies on this topic Seeking to interrogate the role of popular media in establishing and shaping gendered common sense this volume fosters cross disciplinary conversations linked by the central thesis that gender discourse and representation are central to the politics aesthetics and economics of contemporary South Korea In the post authoritarian period the late 1980s to the MeToo present media representation and popular discourse changed the gender conventions that are found at the core of civic political and cultural debates Mediating Gender in Post Authoritarian South Korea maps the ways in which popular media and public discourse make the social dynamics of gender visible and open them up for debate and dismantling In presenting innovative new research on the ways in which popular ideas about gender gain concrete form and political substance through mass mediation the book s contributors investigate the discursive production of gender in contemporary South Korea through trends tropes and thematics as popular media become the domain in which new gendered subjectivities and relations transpire The essays in this volume present cases and media objects that span multiple media and platforms introducing new ways of thinking about gender as a platform and a conceptual infrastructure in the post authoritarian era

**Between Profits and Primitivism** Athena Devlin, 2012-10-02

Between 1800 and the First World War white middle class men were depicted various forms of literature as weak and nervous This book explores cultural writings dedicated to the physical and mental health of the male subject showing that men have mobilized gender constructions repeatedly and self consciously to position themselves within the culture Aiming to join those who offer nuanced accounts of masculinity Devlin investigates the various and changing interests white manhood was positioned to cultivate and the ways elite white men used their own so to speak to promote larger agendas for their class and race
