# Spectacular Bodies

**David Kirk**

## **Spectacular Bodies:**

*Spectacular Bodies* Yvonne Tasker,1993 An examination of the importance of popular action films such as Rambo and Thelma and Louise in a cinematic and political context This is an area that has previously been ignored by contemporary film criticism

**Maps of Our Spectacular Bodies** Maddie Mortimer,2022-06-28 This lyrical debut novel is at once a passionate coming of age story a meditation on illness and death and a kaleidoscopic journey through one woman s life told in part by the malevolent voice of her disease

*Spectacular Bodies* Yvonne Tasker,1993 *Spectacular Bodies* Martin Kemp,Emeritus Professor of the History of Art Martin Kemp,Marina Wallace,2000-01-01 Illustrated and with essays by Martin Kemp *Spectacular Bodies* reveals a new way of seeing ourselves BOOK JACKET

**Extra-Ordinary Men** Nicola Rehling,2010-06-21 *Extra Ordinary Men* analyzes popular cinematic representations of white heterosexual masculinity as the ordinary form of male identity one that enjoys considerable economic social political and representational strength Nicola Rehling argues that while this normative position affords white heterosexual masculinity ideological and political dominance such ordinariness also engenders the anxiety that it is a depthless vacuous and unstable identity At a time when the neutrality of white heterosexual masculinity has been challenged by identity politics this insightful volume offers lucid accounts of contemporary theoretical debates on masculinity in popular cinema and explores the strategies deployed in popular films to reassert white heterosexual male hegemony through detailed readings of films as diverse as *Fight Club* *Boys Don t Cry* and *The Matrix* Accessible to undergraduates but also of interest to film scholars the book makes a distinctive contribution to our understanding of the ways in which popular film helps construct and maintain many unexamined assumptions about masculinity gender race and sexuality

*Maps of Our Spectacular Bodies: Longlisted for the Booker Prize 2022* Maddie Mortimer,2022-06-28 Today I might trace the rungs of her larynx or tap at her trachea like the bones of a xylophone or cook up or undo some great horrors of my own because here is the thing about bodies they are impossibly easy to prowl without anyone suspecting a thing Until of course they do And then of course they aren t When Lia finds out that her cancer is back she tries to keep the landscapes of her past her present and her body separate But bodies are porous unpredictable places Lia s story is told in part by the very thing that is killing her a gleeful and malevolent voice that shape shifts through her systems learning her life from the inside out We come to understand the people that have shaped her a daughter navigating the horrors of the playground a husband struggling to maintain a sense of self as everything falls apart a regretful mother making up for lost time and a troubled former lover who belongs to Lia s past but won t stay there In turn they each take up their place in the changing landscape of Lia s body at the centre of which dances our restless narrator and a boy nicknamed Red the chemotherapy that is Lia s last hope *Maps of Our Spectacular Bodies* is a story of coming of age at the end of a life a heartbreaking tale of desire love and forgiveness a wild and fierce journey through one woman s body

**Women of Blaxploitation** Yvonne D. Sims,2006-09-07 With the Civil Rights movement of the sixties fresh in their

perspective movie producers of the early 1970s began to make films aimed toward the underserved African American audience. Over the next five years or so a number of cheaply made so-called blaxploitation movies featured African American actresses in roles which broke traditional molds. Typically long on flash and violence but lacking in character depth and development, this genre nonetheless did a great deal toward redefining the perception of African American actresses, breaking traditional African American female stereotypes and laying the groundwork for later feminine action heroines. This critical study examines the ways in which the blaxploitation heroines of the early 1970s reshaped the presentation of African American actresses on screen and to a certain degree the perception of African American females in general. It discusses the social, political, and cultural context in which blaxploitation films emerged. The work focuses on four African American actresses: Pam Grier, Tamara Dobson, Teresa Graves, and Jeanne Belle, providing critical and audience response to their films as well as insight into the perspectives of the actresses themselves. The eventual demise of the blaxploitation genre due to formulaic plots and lack of character development is also discussed. Finally, the work addresses the mainstreaming of the action heroine in general and a recent resurgence of interest in black action movies. Relevant film stills and a selected filmography, including cast list and plot synopsis, are also included.

Instructors considering this book for use in a course may request an examination copy here.

**Women and Media in the Middle East** Naomi Sakr, 2004-09-24. Is today's changing media landscape in the Middle East empowering women? This is the first book to address the dynamics of media ecology and women's advancement in the contemporary Middle East. The book spans both the region and media forms from Iran's women's press via Maghrebi women filmmakers and Egyptian political films, Palestinian TV, and Hezbollah's TV station Al Manar. It takes as its starting point the diverse experiences and multi-layered identities of women and treats media institutions and practices as part of wider power relations in society. By analysing media production, consumption, and texts, it reveals where and how gender boundaries have been erected or crossed.

**Supersex** Anna Peppard, 2020-12-08. 2021 Comic Studies Society Prize for Edited Collection. From Superman and Batman to the X-Men and Young Avengers, *Supersex* interrogates the relationship between heroism and sexuality, shedding new light on our fantasies of both. From Superman, created in 1938, to the transmedia DC and Marvel universes of today, superheroes have always been sexy. And their sexiness has always been controversial, inspiring censorship and moral panic. Yet though it has inspired jokes and innuendos, accusations of moral depravity, and sporadic academic discourse, the topic of superhero sexuality is like superhero sexuality itself: seemingly obvious yet conspicuously absent. *Supersex: Sexuality, Fantasy, and the Superhero* is the first scholarly book specifically devoted to unpacking the superhero genre's complicated relationship with sexuality. Exploring sexual themes and imagery within mainstream comic books, television shows, and films, as well as independent and explicitly pornographic productions catering to various orientations and kinks, *Supersex* offers a fresh and lascivious perspective on the superhero genre's historical and contemporary popularity. Across fourteen essays touching on Superman, Batman, the X-Men, and many others,

Anna F Peppard and her contributors present superhero sexuality as both dangerously exciting and excitingly dangerous encapsulating the superhero genre's worst impulses and its most productively rebellious ones Supersex argues that sex is at the heart of our fascination with superheroes even and sometimes especially when the capes and tights stay on **Theatre Histories** Bruce McConachie, Tobin Nellhaus, Carol Fisher Sorgenfrei, Tamara Underiner, 2016-02-26 This thoroughly revised and updated third edition of the innovative and widely acclaimed Theatre Histories An Introduction offers a critical overview of global theatre and drama spanning a broad wealth of world cultures and periods Bringing together a group of scholars from a diverse range of backgrounds to add fresh perspectives on the history of global theatre the book illustrates historiographical theories with case studies demonstrating various methods and interpretive approaches Subtly restructured sections place the chapters within new thematic contexts to offer a clear overview of each period while a revised chapter structure offers accessibility for students and instructors Further new features and key updates to this third edition include A dedicated chapter on historiography New up to date case studies Enhanced and reworked historical cultural and political timelines helping students to place each chapter within the historical context of the section Pronunciation guidance both in the text and as an online audio guide to aid the reader in accessing and internalizing unfamiliar terminology A new and updated companion website with further insights activities and resources to enable students to further their knowledge and understanding of the theatre SPECTACULAR BODIES- "WOMEN WARRIORS.", 2003 **Brill's Content**, 2001 IRIS, 2000 **Journal of Dramatic Theory and Criticism**, 2014 *Theatre Survey*, 2004 The American journal of theatre history **BMJ**, 2000 Architectural Record, 1914 *Minutes of the General Assembly of the Presbyterian Church in the United States of America* Presbyterian Church in the U.S.A. General Assembly, 1927 **The medical record**, 1883 The War Body on Screen Karen Randell, Sean Redmond, 2008-03 This collection of essays examines the war body on screen by drawing upon multiple and diverging view points differing academic backgrounds and methodological approaches
