Principles of Public Speaking Kathleen M. German, Bruce E. Gronbeck, Douglas Ehninger, Alan H. Monroe, 2016-05-23 Balancing skills and theory *Principles of Public Speaking* emphasizes orality, Internet technology, and critical thinking as it encourages the reader to see public speaking as a way to build community in today's diverse world. Within a framework that emphasizes speaker responsibility, critical thinking, and listening, and cultural awareness, this classic book uses examples from college, workplace, political, and social communication to make the study of public speaking relevant, contemporary, and exciting. This brief but comprehensive book also offers the reader the latest in using technology in speechmaking, featuring a unique and exciting integrated text and technology learning system.

A Pocket Guide to Public Speaking Dan O'Hair, Hannah Rubenstein, Rob Stewart, 2015-11-27 This best-selling brief introduction to public speaking offers practical coverage of every topic typically covered in a full-sized text, from invention, research, and organization, practice, and delivery to the different speech types. Its concise, inexpensive format makes it perfect not only for the public speaking course but also for any setting across the curriculum, on the job, or in the community. This newly redesigned, full-color edition offers even stronger coverage of the fundamentals of speechmaking while also addressing the changing realities of public speaking in a digital world. It features fully updated chapters on online presentations and using presentation software and a streamlined chapter on research in print and online.

Public Speaking Steven A. Beebe, Susan J. Beebe, 2003 This book is written to be the primary text for a college-level public speaking course. The authors offer strategies that are anchored in ethical principles to assist speakers in articulating a message that connects with their audience. They emphasize that an effective speaker is an ethical speaker. Audience-centered speakers articulate truthful messages that give audience members free choice in responding to a message while also using effective means of ensuring message clarity and credibility.
