The Astral Light preserves and reflects images of every thought and action. Éliphas Lévi, Helena Petrovna Blavatsky,2022-01-01 The body of the world is a huge storehouse of corruption and degeneracy In the great magical agent which is the Astral light are preserved all the impressions of things all the images formed either by their rays or by their reflections it is in this light that our dreams appear to us it is this light which intoxicates the insane and sweeps away their enfeebled judgment into the pursuit of the most fantastic phantoms To see without illusions in this light it is necessary to push aside the reflections by a powerful effort of the will and draw to oneself only the rays Who are the dead whom we take for the living and the vampires whom we mistake for friends They are the poisonous mushrooms of the human species absorbing the vitality of the living that is why their approach paralyzes the soul and sends a chill to the heart These corpse like beings prove all that has ever been said of the vampires those dreadful creatures who rise at night and suck the blood from the healthy bodies of sleeping persons In the hands of the true adept of the East a simple wand of bamboo with seven joints supplemented by their ineffable wisdom and indomitable will power suffices to evoke spirits and produce the miracles authenticated by the testimony of a cloud of unprejudiced witnesses **The Astral Light (Theosophical Classics)** Louise A. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
