## **The Leah Shadow:**

The Leah Shadow Harold K. Moon, 2005-11 Leah was tender eyed but Rachel was beautiful and well favored and Jacob loved Rachel more than Leah In the early days of the Mormon Church sister wives Catherine and Sheila must make peace with each other seeking reconciliation in their love for their husband John Glendrake But plural marriage is just one of the many frontier challenges that John and his stubborn beleaguered and endearing wives must face from Utah to Mexico they must deal with fire drought disappointment and heartbreak Through it all and despite separation in life and in death their relationships grow and their devotions deepen the Leah Shadow is a story of adventure tenderness human dignity and most of all understanding forgiveness and love Unquestionably this novel is among the best and most satisfying treatments of plural marriage or monogamous marriage for that matter that we have It is excellent reading and one of the best LDS novels I've enjoyed Richard Cracroft columnist for BYU Magazine *Digital Shadows: The Truth Behind the Influencer Glow*

Anurag kumar, 2024-12-09 Digital Shadows The Truth Behind the Influencer Glow by Suman Step behind the filter and into the real world of influencers Digital Shadows The Truth Behind the Influencer Glow uncovers the glamorous facade of social media stardom exposing the secrets deception and danger lurking beneath Maya Grant is a talented but overlooked photographer struggling to make ends meet in a city where dreams are often just out of reach When she is offered the chance to manage the social media account of Ava Sterling one of the world's most famous influencers Maya thinks her luck has finally turned Private jets extravagant parties and a growing following everything seems perfect But as Maya digs deeper into Ava's life she uncovers disturbing inconsistencies and troubling behaviors What was once a dream job becomes a nightmare as Maya realizes the influencer's perfect image is built on lies and manipulation Behind the polished posts and flawless selfies Ava's world is anything but glamorous Maya soon finds herself entangled in a dangerous web of secrets betrayal and even threats to her life Anonymous messages warn her to stop digging but Maya's curiosity and her desire to prove herself drives her further into the heart of Ava's dark world The more Maya uncovers the more she realizes the stakes are much higher than she ever imagined Digital Shadows is a chilling and thrilling exploration of the price of fame the dangers of living for likes and the hidden truths behind the influencer lifestyle Perfect for fans of suspense drama and psychological thrillers this gripping novel will make you think twice the next time you scroll through your feed Is the perfect life really worth the price of living in the shadows

**Lessons from Ladies of Faith** Barbara Ellen Houston McCain, 2015-09-14 Lessons from Ladies of Faith is a book that demonstrates that the ladies we read about in the Scripture were real women living actual lives God gave us a record of their challenges struggles and victories as lessons that we can apply to our lives today From the ladies chronicled in this guide we can learn lessons about courage commitment submission to God dedication to new challenges and so much more As we study Eve Sarah Mary Dorcas and the other women we will learn that the paths they walked are not so different from the ones we tread today Through their stories we can gain insight into the victories of faith

that God desires for the modern day Christian woman Some lessons teach us of His majesty others of His grace while others encourage us to explore new levels of spiritual adventure Whether you are an earnest Christian believer or someone who is curious about the Christian life there is much to learn about the journey of faith on this path of exploration Lessons from Ladies of Faith chronicles thirteen different areas of a life of faith illustrated by the lives of different women in the Bible By application to our present day lives hopefully we will come to understand our own life journey through those of these women

*Leah's Journey* Gloria Goldreich,1997 This novel tells the story of a woman s experiences played out against the drama of the generation that fled Russia for a new life in America *Shadows of the Fallen* Corey McCullough,2020-08-02 A hidden city A powerful artifact And a deadly legacy A devastating battle in her home city has left Leah Anavion as queen and commander of an alliance of disparate forces brought together by necessity In the face of a growing demon invasion Leah seeks a safe haven for those who cannot fight but a new plan of attack could mobilize her forces on a journey across the face of the world straight into the heart of enemy territory Meanwhile silent soldier Hook Bard embarks on a mission to recover an artifact that could alter the course of the war But his mission brings him uncomfortably close to a painful past he thought he had left behind for good forcing him to choose between fulfilling his duty and settling an old score And Justin Holmes still reeling after a devastating defeat needs answers Can his allies be trusted anymore Who is this mysterious enemy Avagad And what really happened in the past to bring the world of the Oikoumene to its current state There is only one man in this world or any other who knows the truth The odyssey continues in this third installment of the four book epic fantasy series that readers call FUN ENGROSSING and JAW DROPPING *"Hearts Divided: The Story of Jacob and His Wives"* , Jacob s life is a web of love betrayal and ambition Caught between desire and duty rivalry and loyalty he must navigate jealous wives cunning fathers in law and the consequences of his own choices A sweeping gothic tale of passion heartbreak and the making of a patriarch *Out of the Shadows* Emily Midorikawa,2022-09-20 Queen Victoria s reign was an era of breathtaking social change but it did little to create a platform for women to express themselves But not so within the social sphere of the s ance a mysterious lamp lit world on both sides of the Atlantic in which women who craved a public voice could hold their own *Out of the Shadows* tells the stories of the enterprising women whose supposedly clairvoyant gifts granted them fame fortune and most important influence as they crossed rigid boundaries of gender and class as easily as they passed between the realms of the living and the dead The Fox sisters inspired some of the era s best known political activists and set off a transatlantic s ance craze While in the throes of a trance Emma Hardinge Britten delivered powerful speeches to crowds of thousands Victoria Woodhull claimed guidance from the spirit world as she took on the millionaires of Wall Street before becoming America s first female presidential candidate And Georgina Weldon narrowly escaped the asylum before becoming a celebrity campaigner against archaic lunacy laws Drawing on diaries letters and rarely seen memoirs and texts Emily Midorikawa illuminates a radical history of female influence that has been confined to the dark until now *Shadows of the Stage*
