## **The Little Golden Calf:**

**The Little Golden Calf** Илья Ильф, Евгений Петров, 2014-02-23 The Golden Calf is a famous satirical novel by Soviet authors Ilf and Petrov released in 1931 Its main character Ostap Bender also appeared in a previous novel by the authors called The Twelve Chairs Ostap Bender is still alive but sports an unexplained scar across his neck after somehow surviving the assassination in the previous book This time he hears a story about an underground millionaire named Alexandr Koreiko Bender tracks him down and uses his wiles to try to con him out of his money The book contributed a number of catchphrases and colourful terms into the Russian language such as Horns and Hoofs company and Children of Lieutenant Schmidt

*The Little Golden Calf* Илья Ильф, Евгений Петров, 1961 The satirical novel's main character Ostap Bender also appeared in a previous novel by the authors called The Twelve Chairs The title alludes to the golden calf of the Bible another possible rendering of it in English less literal but better tuned to the air of the novel would be The Gilded Calf It continues the theme of the denunciation of money grubbing philistine stupidity and bureaucracy which began in The Twelve Chairs

**The Little Golden Calf** Илья Ильф, Евгений Петров, 2009 This brand new translation of the famous satirical sequel to The Twelve Chairs resurrects the con man Ostap Bender the smooth operator and follows him and his three hapless co-conspirators on a hilarious romp through the Soviet Russia and Central Asia of 1930 Bender says he has very serious differences of opinion with Soviet power It wants to build socialism and I don't The smooth operator wants to emigrate to Rio de Janeiro so he and his crew set off in pursuit of an underground millionaire who Bender is certain will bring me his money himself on a little saucer with a sky blue rim One of the greatest works of Russian satire of the 20th century the 1932 American translation billed it as The book that's too funny to be published in Russia this lively new translation the first since 1961 by Anne O Fisher is copiously annotated nearly 300 footnotes and includes an introduction by Alexandra Ilf the daughter of one of the book's two co-authors So many quotations from The Little Golden Calf have entered everyday Russian speech that it stands alongside the works of Griboyedov Pushkin and Gogol for its profound effect on Russian language and culture The tale overflows with legendary literary episodes offering a portrait of Russian life that is as funny and true today as it was when the novel was first published this edition is the first unabridged uncensored English translation and is 100% true to the original serial publication For decades foreigners trying to understand Russia have been advised to read the adventures of Ostap This new translation makes them more enjoyable than ever

**The Little Golden Calf** Илья Ильф, Евгений Петров, 2015-07-17 This is the famous and most popular book in Russian still today We at Ishi Press have published this book in the original Russian under ISBN number 4871876772 Here is the translation into English under ISBN 4 87187 678 0 Students of Russian speaking English and students of English who are speaking Russian can lay these books side by side and see the words in both languages The name The Little Golden Calf comes from the Bible the Book of Exodus 32:1-4 Delighted applause from both sides of the Atlantic greeted the first publication of this comic classic about Soviet life in the early years

after the Revolution Social changes then were so drastic and came so thick and fast that even most Russians were confused This is the story of Ostap Bender opportunist and small time crook who makes the most of the situation Discovering that millions have leaked quietly out of Soviet coffers into the hands of a unreconstructed individualist who believed in private enterprise our hero sets about getting this fortune into his own hands Rounding up a motley gang of hoodlums he embarks on a series of hilariously breathtaking escapades and adventures impossible in any other time or place In the end they succeed but the pay off is no bargain Ilf and Petrov never poked funnier fun at their people and politics in this picaresque novel of red tape and wretches [The Golden Calf](#) Il'ia Il'f, Evgenii Petrov, 2009 The funniest novel of the Soviet era this translation is based on the uncensored original thus restoring missing passages Set during the New Economic Policy con man Ostap Bender and his merry band of mischief makers set of on a raucously funny jaunt across the wild west of the early Soviet Union Their mark is Alexander Koreiko another shady figure who exploited the corruption and chaos of the NEP to become an underground millionaire Once Bender hears of Koreiko the chase is on [The Golden Calf](#) Il'ia Il'f, Evgenii Petrov, 1973 **The Little Golden Calf.
