Windows To The World:

Windows to the World: Literature in Christian Perspective Leland Ryken, 2000-04-10 This is a teacher's book written by an able teacher. Most people are interested in literature because of a deep love for literature itself. They want to understand the reasons for that love. Ryken helps us do this, but he also helps Christians understand and validate their love for literature. Ryken has also provided a solid means for non-Christians to understand a Christian perspective on literature. It. *Windows to the World* comes closer to defining the goal and task of the teacher of literature than any work I have read. *Christianity and Literature* ***A Window to the Divine*** Zachary Hayes, 2009 This new edition of *A Window to the Divine* presents a summary of developments on a number of basic questions pertaining to creation theology and what a synthesis might look like at this time. It is based on the premise that contemporary believers can sense a remarkably rich communication of the divine mystery through the insights of science and that the sciences may open even richer and more challenging possibilities to the understanding of our tradition. Our tradition is rooted in the belief that however the universe may look empirically, it is precisely this universe described to us at the empirical level by the sciences that our faith holds to be the fruit of God's creative knowledge and love. It is my hope that these reflections may help us discover in what sense this universe may truly be seen as a window to the mystery of the divine from the preface to *A Window to the Divine*.

Windows to the Soul M.J. Spickett, **Opening a Window to the West** Peter Ennals, 2014-01-01 The first book length study of K be's Foreign Concession. *Opening a Window to the West* situates K be within the larger pattern of globalization occurring throughout East Asia in the nineteenth century. ***A Window to the Russian Soul*** Nicholas Kotar, 2020-02-24 What if you could find all the answers to the problems of modern life in the wisdom of the past? We live in a strange time. Perpetually distracted and increasingly over-medicated, we still think we are the most progressed people in history. But scratch the surface and you'll see that our world is like a house built on sand. We put much of our faith in science, even as more and more of the truths we equate with scientific fact come under scrutiny. The lack of repeatability of many experiments is a modern science's dirty little secret. And much of what can be verified, it turns out, often merely confirms what history, literature, and religion have already taught us. And so many people are turning to the past for comforting wisdom to inform the future. This book is an exploration of the rich folk culture of Russia's past. From songs of lamentation at funerals to the rules for naming a prince, you'll find a fascinating glimpse into a world that is alien on the surface but familiar at its heart. Reading it in light of modern life, you can't help but be astounded at how much wisdom the Russian folk gathered through centuries and millennia of passed time and experience. Who knows? Maybe the answers to some of your life's pressing issues are found in the age-long traditions explored in *A Window to the Russian Soul*. Find out by buying *A Window to the Russian Soul* today. **Windows to the Soul: Book Two of Raven's Realm** M.J. Spickett, 2022-09-22 Six years have passed since the events in Ravenwood. After giving half his magick to Daniel Dion, Eli thought he would finally have a chance to be a normal

teenager but nothing about his life is normal He is still haunted by his past life as Anthony Sinclair one of the most powerful magick users in Europe It seems even now Sinclair s enemies are hunting him Still searching for his power and unwilling to accept that while Eli may be his present incarnation he is his own person and not Anthony Sinclair In an effort to break free of this curse Eli accepts a deal from a Priestess that would strip him of his magick and give him the normal life he has always craved but it may cost far more than he bargained for Now Eli s faery Guardian Selena Hawke must save him from himself before his magick unleashes a Chaos Demon and eclipses the world in darkness However first she must find him and the Priestess is not about to give up her new prized possession
