Wingless Eagle:

The Wingless Eagle; A Story of Hope Leslie Hall, 2019-03-12 This family of eagles have already overcome the problem of weak eagle shells and leaving their home in the big city of Philly I want this book to be an inspiration to children from the early parts of their lives Shining Spirit is my way of describing some deep emotional and devastating parts of my own young life Shine is a deep and inward place inside some children but it is not called shine yet We all need that special someone or to talk with God about our own souls Parents hold the special keys to their special children This book is about more than a new set of wings The people in our lives all have a part of life that we would rather not acknowledge some worse than others The difference is for the most part we can see Shine s disability all of us can be Shine Shine has something that wasn t so far down inside him something he started to utilize almost from birth God will reach us if we open ourselves to His word and have that shining spirit inside also Everyone can reach inside and become a better person because of God We can do nothing of ourselves I have tried to do my best without God it didn t work May God Bless you and all your loved ones Matt 28 18 20
