The Meddler C. M. Edward,2000-10-29 David Cobbington s high profile job with The Jockey Club of South Africa draws him into a web of deceit and complicity pitting him against a man who will induce the ultimate destruction of his comfortable affluent life Anton Medli is the man who becomes David s perfidious and relentless nemesis The unctuous Corsican is a man for whom thoroughbred racing is both a business and a pleasure and whose only philosophy is money Known in racing circles as The Meddler he engineers not only the demolition of David s quiet gentlemanly existence but eventually the lives of both his brother Kit and their influential and wealthy father The action shifts from the dusty highveldt of Johannesburg to the wild blond savannah of Kenya and finally to the neon smeared metropolis of Hong Kong The choices that the two brothers make whether recklessly blindly or judiciously are irrevocable and David becomes trapped in a moral maze when both he and his brother step beyond the boundaries of the law The denouement comes as a shocking and thought provoking twist in this riveting story of a doomed family whose integrity and tenets are shattered by the provocations of Anton Medli and his cohorts
