Winnipeg A Prairie Portrait:

Winnipeg, a Prairie Portrait Martin Cash, Wendy Louise Stephenson, Judy Waytiuk, George Siamandas, Mike Grandmaison, 1998 [Farmer's Advocate and Home Magazine](#) , 1892 **The Court of Queen's Bench of Manitoba, 1870-1950** Dale Brawn, Osgoode Society for Canadian Legal History, 2006-01-01 This study of the Manitoba judiciary is not only the first biographical history to examine an entire provincial bench it is also one of the first studies to offer an internal view of the political nature of the judicial appointment process Dale Brawn has penned the biographies of the first thirty three men appointed to Manitoba s Court of Queen s Bench The relative youth of Manitoba as a province and the small size of its legal profession makes possible an exceptionally detailed investigation of the background of those appointed to the province s highest trial court The biographical data that Brawn has collected for this book highlights the extent to which judicial candidates underwent a socialization process designed to produce a legal elite whose members shared remarkably similar views and ways of thinking In addition these biographies suggest that until at least 1950 seats on provincial benches were rewards for political services rendered Many lawyers became judges not because of their legal ability but because they had made themselves known in the communities in which they practiced This fascinating study offers an intimate look at personalities ranging from prime ministers to members of the bench and both senior levels of government [Dangerous Anarchist Strikers](#) Steve J. Shone, 2023-11-13 This book explores the ideas of three largely forgotten radical women who participated in labor union strikes in Argentina and Uruguay Canada and the United States Virginia Bolten c 1876 1960 one of the most militant anarchists of southern South America Helen Armstrong 1875 1947 a major leader of the Winnipeg General Strike of 1919 whose involvement in that important event in Canadian history was for a long time obscured by accounts that emphasized the accomplishments of men and Elizabeth Gurley Flynn 1890 1964 the Wobbly leader who directed many industrial strikes throughout the United States and was one of the founders of the American Civil Liberties Union who eventually became the leader of the Communist Party USA It also examines the contributions of two similarly neglected anarchist men who participated in labor union strikes and industrial action in New Zealand Australia Chile Argentina and Japan Tom Barker 1887 1970 was an anarchist who eventually became a socialist who worked to promote labor unionism on four continents and who tried to create a global One Big Union for sailors K toku Sh sui 1871 1911 was a liberal who became a socialist and finally an anarchist An opponent of governmental imperialism and ecological mismanagement he studied and translated the works of Western thinkers and sought to apply what he learned from other cultures to the development of Japan *Dangerous Anarchist Strikers* was highlighted and discussed on the New Books Network podcast *New Books in Women s History* with an interview of the author Steve J Shone by host Morteza Hajizadeh The November 25 2024 episode can be accessed here **Canadian State Trials, Volume IV** Barry Wright, Eric Tucker, Susan Binnie, 2015-11-26 The fourth volume in the Canadian State Trials series examines the legal issues surrounding

perceived security threats and the repression of dissent from the outset of World War One through the Great Depression War prompted the development of new government powers and raised questions about citizenship and Canadian identity while the ensuing interwar years brought serious economic challenges and unprecedented tensions between labour and capital The chapters in this edited collection written by leading scholars in numerous fields examine the treatment of enemy aliens conscription and courts martial sedition prosecutions during the war and after the Winnipeg General Strike and the application of Criminal Code and Immigration Act laws to Communist Party leaders On to Ottawa Trekkers and minority groups These historical events shed light on contemporary dilemmas What are the limits of dissent in war emergencies and economic crisis What limits should be placed on government responses to real and perceived challenges to its authority

Raising the Workers' Flag Stephen Endicott,2012-09-07 During the Great Depression the conflicting interests of capital and labour became clearer than ever before Radical Canadian workers encouraged by the Red International of Labour Unions responded by building the Workers Unity League an organization that greatly advanced the cause of unions in Canada and boasted 40 000 members at its height In Raising the Workers Flag the first full length study of this robust group Stephen L Endicott brings its passionate efforts to light in memorable detail Raising the Workers Flag is based on newly available or previously untapped sources including documents from the Royal Canadian Mounted Police s Security Service and the Communist Party s archives Using these impressive finds Endicott gives an intimate sense of the raging debates of the labour movement of the 1930s A gripping account of the League s dreams and daring Raising the Workers Flag enlivens some of the most dramatic struggles of Canadian labour history

Dictionary of Manitoba Biography J.M. Bumsted,1999-12-10 Manitoba has been at the crossroads of many of the important debates and events in Canadian history From the early fur trade to the Riel Rebellion to the Winnipeg General Strike Manitobans have frequently played crucial roles in Canadian and sometimes world history Until now there has been no comprehensive contemporary source for information on the many Manitobans who have left their mark on history and society Dictionary of Manitoba Biography fills this gap with biographical sketches of over 1700 Manitobans who have made an impact in politics the arts sports commerce agriculture and society It is an invaluable resource for scholars students and general readers interested in Canadian history Particular emphasis has been placed on reflecting Manitoba s ethnic and social diversity and on including men and women who were notable in their own day but have now been forgotten Many entries also refer the reader to additional references for further reading More than a reference book Dictionary of Manitoba Biography is also a fascinating work of history in its

own right which presents the full and colourful scope of over 300 years of people in Manitoba history and social life from premiers and mayors to nightclub owners and sports heroes

We lose and find all the time We can forget apprehend or comprehend our surroundings several times each day Both losing and finding forgetting and rediscovering the natural and human traces on the prairies might seem like an impossibility Have we not recorded our impressions and images of prairie life faithfully Are we not standing on the shoulders of prairie giants One kind of prairie grain elevators have been disappearing from the North American prairies for about a generation and yet they have become I would argue even more vividly than in the days before they started to disappear an iconic symbol of a place which is less and less like its imagined past Our memories both individual and collective adjust to such absences by canonizing vanishing saints before it really is too late We lose the thing and find we like to think its essence We remember artistic renderings of prairie people landscapes and stories reading Margaret Laurence's novels or W L Morton's history but we cannot reproduce the pictures and words at will We know the contours of their labours just the same We forget or at least under advertise the fact that the Prairie however it might be divided by provincial or international borders is also an urban place We think less often of the fact that we have a transnational prairie in which an awareness of divergent national pasts and presents is necessary To acknowledge these complexities is to know to reclaim and indeed to find the prairies
