The Winter Room Gary Paulsen, 2014-06-24 A Newbery Honor Book by the New York Times bestselling author of Northwind A compelling description of farming in a bygone time Publishers Weekly ALA YALSA Best Book for Young Adults ALA Notable Book for Children Judy Lopez Memorial Award for Children's Literature Following the turn of the seasons eleven year old Eldon traces the daily routines of his life on a farm and his relationship with his older brother Wayne During the winter with little work to be done on the farm Eldon and Wayne spend the quiet hours with their family listening to their Uncle David's stories But Eldon soon learns that although he has lived on the same farm in the same house with his uncle for eleven springs summers and winters he hardly knows him It is the palpable awareness of place and character that is unforgettable Paulsen with a simple intensity brings to consciousness the texture the smells the light and shadows of each distinct season He has penned a mood poem in prose School Library Journal More a prose poem than a novel this beautifully written evocation of a Minnesota farm perhaps 40 years ago consists of portraits of each of the four seasons along with four brief stories told by old Uncle David Kirkus Reviews

Then I Found You Rachel Branton, 2017-10-12 One glimpse into the eyes of a stranger changes everything On the first day of her new life Tawnia McKnight finds herself in Oregon her fifth state in ten years Another new job new friends a heartache left far behind Maybe in Portland she can at last find what she is looking for Maybe she can even forget Bret Winn But when a tragic bridge collapse rocks the city Tawnia is thrust back into the life of the man she thought she'd never see again And with him is a stranger a stranger with inexplicably familiar eyes Soon Tawnia finds herself drawn into a web of confusion and deceit Where did the eccentric Autumn Rain come from and why does she look so much like Tawnia Though Autumn's agony over her missing father seems real there is much in her past that cannot be explained Even more troubling for Tawnia is Bret's interest in Autumn despite Tawnia's own attraction to the mysterious firefighter who once saved Autumn's life Danger looms as Tawnia tries to unravel clues to both the past and the current tragedy in Portland Will she find what she is looking for or will everything she cares about slip once again from her grasp

**Landscape and Earth in Early Modernity** Christine

Göttler, Mia Mochizuki, 2025-10-01 Early modern views of nature and the earth upended the depiction of land Landscape emerged as a site of artistic exploration at a time when environments and ecologies were reshaped and transformed This volume historicizes the contingency of an ever changing elemental world reframing and reimagining landscape as a mediating space in the interplay between the natural and the artificial the real and the imaginary the internal and the external The lens of the unruly reveals the latent landscapes that undergirded their conception the elemental resources that resurfaced from the bowels of the earth the staged topographies that unsettled the boundaries between nature and technology and the fragile ecologies that undermined the status quo of human environs Landscape and Earth in Early Modernity Picturing Unruly Nature argues for an art history attentive to the vicissitudes of circumstance and attributes the regrounding of representation during a transitional age to the unquiet landscape **Laurel Canyon A.
