## Speaking For God:

*God Is Speaking, Are You Listening?* LYNNIE LANG,2013-11-19 It all began when I finally desired quiet time in God's presence He being my Lord and Savior gave me a need to hear encouragement and guidance from Him Knowing I belong to my God Jesus died for my sins and I am filled with His Spirit gave me peace and confidence but I felt there was more I needed I longed to hear from Him Was this really possible How would I know it was Him I would enter my prayer time as usual with quiet meditation praise and worship from my heart and lips I'd then pick up my prayer journal for personal prayers petitions and intercession for others In my spirit I would at times receive words of affirmation during my prayer time then when finished be guided to pick up my pen and begin to write I not only realized that God was giving me these words to write and encourage me with but each one was always one page long After almost a year I began to transfer them to my computer As I did I was also given a title and a Scripture to go with each one All I knew was this ability was definitely God given to me for His purpose Soon I was realizing it wasn't all for me I was prompted to share them on occasion with others This began a list of folks who wanted to receive them on a regular basis The list continued to grow and God continued to encourage me through others to write more as He led me What I thought was God speaking to me only in reality He is able to speak to others through a devotional simple folk like me put down on paper I pray they will bless and encourage all who read them as they have been for me May this book always be a reminder to us that God is speaking are you listening *The Secret Power of Speaking God's Word* Joyce Meyer,2004-08-26 1 New York Times bestselling author Joyce Meyer teaches readers how to create change in their lives and truly receive God's blessings Includes powerful Scriptures covering over 50 topics such as patience loneliness and wisdom Speaking God! Gary M. Sylvas, Sr.,2006-05-18 I Speak in the Power of God's Speech Renee Pearsall,2019-07-11 This manual is about how to gain power over your life as you learn to listen to what God is speaking to you Through His Words you will be equipped with the courage and strength to face any battle in your life This manual serves as a guide to help you strengthen your day to day relationship with God as you master the concept of speaking peace health and prosperity *Speaking God's Promises Changing Your World* Michael Byrd, Ph.d.,2015-05-31 Death and life are in the power of the tongue and they who indulge in it shall eat the fruit of it for death or life Proverbs 18 21 AMP Biblical Declarations call God to His promises Speaking the scriptures renew our minds in Christ by transforming and conforming us to the image of Christ Christ only said what the Father said We too should say what the Father says And we will get what we say Job 22 28 KJV Thou shalt also decree a thing and it shall be established unto thee and the light shall shine upon thy ways The direction of our lives is set by what we say James 3 4 5 MSG A small rudder on a huge ship in the hands of a skilled captain sets a course in the face of the strongest winds 5 A word out of your mouth may seem of no account but it can accomplish nearly anything or destroy it It only takes a spark remember to set off a forest fire The strongest winds are storm winds We think of the storms in life as the problems People blame the storms problems in their lives for the course

or outcome of their lives but it is not the strongest winds that direct our lives. It is our rudder or tongue that directs our lives. Whether we become shipwrecked on the rocky shores of life or glide peacefully into calm harbor depends on how skillfully we manage our rudder or tongue. Like a small spark can destroy a huge forest, we too can destroy the people around us by the words we say. The Bible gives examples of what to do and not do in times of trouble or storms. We can either praise God or complain. Complaining glorifies the problem which glorifies the author of the problem. God is not the author of confusion but of peace according to 1 Corinthians 14:33. Jesus after fasting for forty days and nights was weakened but when tempted used the scriptures to overcome and so should we as well. Genesis 1:28 declares that God gave us dominion over everything. We take or give away our authority over everything in our lives by what we say. Proverbs 19:21. Death and life are in the power of the tongue. Our tongues are powerful. 2 Corinthians 6:7 states, "For we walk by faith, not by sight." Appearance. We can speak God's promises in faith to the glory of God or speak about our negative situations thereby glorifying Satan, the author of the situation. Our words can be used as a weapon. The sword of the Spirit, which is the word of God. Ephesians 5:17. By speaking God's promises, these scriptures are put into first person declaration form as to help you to speak blessing over the problem areas of your life. The more one speaks these declarations, the more one internalizes God's promises. Speaking God's promises over our lives is the foundation for successful living. Proverbs 6:2, New International Version: "You have been trapped by what you said, ensnared by the words of your mouth." In other words, "What you talk about you bring about." Jesus said this way in Luke 6:45: "A good man out of the good treasure of his heart brings forth what is good, and an evil man out of the evil treasure of his heart brings forth what is evil, for of the abundance of the heart his mouth speaks."

**A Mouthful of Miracles:** Philip Hutchings, 2023-04-25. When you take control of your words, you take back your life. If your words are in line with the Word of God, Satan can't touch you. Phil Hutchings, Pastor. If you're religious, you're going to hate this book. Religious people are steeped in tradition and ritual in a futile attempt to reach God through contrived devices. Any message about powerful living is an indictment against this empty ideology. This book is about the power of your words. It's not about naming and claiming or positive affirmations; it's about using your words to confess what the Bible says about you, your life, the world around you, and the kingdom to come. Pastor and Teacher Philip Hutchings challenges readers first to understand what God's Word says, then to speak it with power and authority. It's not about sounding like a Hallmark card; it's about sounding like Jesus. When you continually speak the Word of God in the face of adversity, your circumstances will change. You have a mouthful of miracles. A nation in crisis needs a church in revival. Many times Christians have thwarted God's plans by their negative confession. In this book, Phil Hutchings gives you the key to a breakthrough in your life, your family, your church, and the nation. This is a must-read book for every believer. Bill Prankard. Words are important as they are the vehicles that bring God's power into our lives. Ted Shuttlesworth. Death and life are in the power of the tongue. And those who love it and indulge it will eat its fruit and bear the consequences of their words.

Proverbs 18 21 AMP About the Author Philip Hutchings passion and love for God and God s Word are connected to his desire to be used in bringing in the final harvest of souls on the earth today and see the worldwide church in revival After graduating from Zion Bible College in Barrington R I in 2004 Philip has encouraged and helped a vast number of men women and children of many nationalities The unique delivery of the spoken Word through Philip has released the power of God to see transformation in many lives Philip and his wife Jamie felt impressed of the Lord to birth a church in Saint John New Brunswick Canada called Higher Life Church and he continues to pastor and minister with his team After going to jail and being put into solitary confinement for 7 days for refusing to close the church during COVID God has given him a national platform to preach the Gospel and see hope restored in the Church across Canada *Speaking With God's Voice* Louis A. Miraglia,2016-12-17 The world today groans under the weight of many crushing problems but it s not intellectuals presidents or political parties who have the solutions The rescue agents are born again believers who fall under the great commission and that s you This command for you to go into the whole world is not given by One who would leave you an orphan God will equip you but you must do it His way Once you re a believer God appoints you to two roles immediately One as the receiver of God s word one as the deliverer of God s word Many faithful men and women have little problem understanding the first role They see themselves as student learners who must grow in God s word and get enlightenment by the Holy Spirit Many faithfully fulfill the biblical prerequisites of prayer and preparation and they become quite good at understanding the scriptures Over the years the Holy Spirit guides them into deeper and deeper insights into God s word It is as they move into the role of deliverer of God s word that they have problems Many people will shut them out the delivery has failed to adopt a biblically required role change To be effective in this new role God s messengers must Speak with God s Voice This means they must speak authoritatively and prophetically These biblical prerequisites have been very much misunderstood and abandoned leaving the message from God s word a mere man made endeavor God may bless this type of message but the only way to guarantee God s anointing is to deliver it His way with His voice This book explains in detail how these scriptural requirements are put into effect Remember The power of the Holy Spirit is available to ALL believers but it is not automatic A dear evangelical preacher of more than thirty years who pastors a church on the New York Pennsylvania border read this book and made the following comment I would highly recommend this book as required reading for every minister and ministerial student It is one of the most practical cries for and description of anointed preaching that I have read For too long the church has tried to dazzle people with new music new technologies and methods and missed the high calling of preaching the Word under the power of the Holy Spirit Thanks Louie for your inspiring words *God Is Speaking to You* Jacqui D. Williams,2024-04-18 The world and all that is within heaven and earth were first brought into existence by the spoken Word of God We can change our situations and circumstances when we speak God s Word in faith One example of this is when the centurion spoke to Jesus in Matthew 8 8 saying LORD I am not worthy that thou shouldst come under my roof but speak the

word only and my servant shall be healed Throughout our life we can see examples of God's spoken Word that brought forth life to our dead situations healing to our sick bodies and restoration in our broken relationships Even during some of our hardest and most difficult times of hurt pain disappointments and devastation we as children of God can testify that there is evidence where God still used something from that pain to turn it around for our good and in our favor Romans 8:28 In this book *God Is Speaking to You* I want readers to be open to hearing what the Spirit of the Lord is speaking to their hearts as it relates to their individual walk with God God is always speaking to us in some way and we want to be sensitive to recognize and know when it is the voice of God John 10:4-5 When we spend quality time in His presence there will be no doubt that we will be able to identify the difference between the voice of God and a stranger *When People Speak for God* Henry E. Neufeld, 2007-06-15 When someone claims they have a message from God how do you decide whether to believe them This question has been with people of faith at least since Abraham heard someone God as it turned out telling him to leave home and go to a place he would be shown Other people have left their homes thinking God was guiding them and have ended up with nothing but trouble And what about books When someone claims a book is inspired by God how do you determine whether they are right or wrong Very often they will be telling you that your eternal destination depends on believing what they say and yet others will say that their book is right Is it possible to know Interpretations of those books can be equally difficult to judge People with special interpretations of scripture often claim just as much authority as those who claim to be prophets If you reject their interpretation you are rejecting God himself How do you make a wise decision Writer and Bible teacher Henry Neufeld wrestles with these questions in these pages You may not like some of the answers but you will be challenged as he calls us each to focus first on the conversation with God and then to each be responsible for learning God's will for our individual lives

*God Talk* Ruth A. Tucker,2006-01-01 Does God speak The answer seems clear Books abound on the topic of hearing God s voice And many believers testify to God s conversational guidance in their life God told me to help you I knew it was God speaking to me Our culture reinforces the idea that speaking constant speaking is good and natural and essential In those rare moments during a day when talking ceases or when we re alone we quickly find some way to fill the void whether turning on the television or radio or calling someone on the phone With others and especially with God we get the message speaking is good silence is bad But still Ruth Tucker is not afraid to ask the question Does God speak And her answer might surprise you She urges caution in speaking about hearing God pointing out that our privatized spirituality often sets those who hear God on a pedestal and leaves those who don t feeling spiritually inferior Further she shows how the expectation of conversation may too easily humanize God in our minds causing us to approach God with the same attitude we have when we call a friend on the phone And if God does speak how can we be sure our own desires are not affecting our interpretation of God s voice In*God Talk*Tucker offers us a new paradigm for viewing silence and prayer Rather than feeling inferior when we don t hear God speak she helps us lean more deeply on his silent Spirit inspired Word By examining the Trinity Tucker gives us a new glimpse of how God the Father spoke his words in the past how Christ the Incarnate Word lived among us and how the Holy Spirit speaks to us now through Scripture Here is a probing thought provoking read on how our present active powerful God relates to us and how we in turn should relate to God
