Speaking Respect Respecting Speech:

Speaking Respect, Respecting Speech Richard L. Abel, 1998-05-06 The feminist campaign against pornography the furor over a racial epithet in the O J Simpson trial and Iran s threat to kill Salman Rushdie exemplify the intense passions aroused by hurtful speech Richard Abel convincingly exposes the inadequacies of legislating speech and proposes instead a system of inter community apology aimed at strengthening and equalizing respect for cross cultural identities Global Politics as if People Mattered Mary Ann Tétreault, Ronnie D. Lipschutz, 2009-05-16 Now in a fully updated and revised edition this concise and engaging text introduces global politics and international relations with an emphasis on the social individual Using practical examples as well as theory the authors show students how they can take charge of their lives and the politics that affect them even in the context of a vast global economy and impersonal international forces that sometimes seem out of control Filled with idealism yet firmly grounded in current realities Global Politics as if People Mattered is a fresh take on the proper place and potential of individuals in world politics front and center actively engaged in a way of life that is as politically personal as it is politically powerful African Americans and the First Amendment The Case for Liberty and Equality Timothy C. Shiell, 2019-01-01 The first detailed examination of African Americans and First Amendment rights from the colonial era to the present African Americans and the First Amendment is the first book to explore in detail the relationship between African Americans and our first freedoms especially freedom of speech Timothy C Shiell utilizes an interdisciplinary approach to demonstrate that a strong commitment to civil liberty and to racial equality are mutually supportive as they share an opposition to orthodoxy and a commitment to greater inclusion and participation This crucial connection is evidenced throughout US history from the days of colonial and antebellum slavery to Jim Crow in the landmark US Supreme Court decision in 1937 freeing the black communist Angelo Herndon in the struggles and victories of the civil rights movement from the late 1930s to the late 60s and in the historical and modern debates over hate speech restrictions Liberty and equality can conflict in individual cases Shiell argues but there is no fundamental conflict between them Robust First Amendment values protect and encourage demands for racial equality while weak First Amendment values in contrast lead to censorship and a chilling of demands for racial equality A splendid book on all accounts and a necessary one in today s heated debate over free speech Donald Alexander Downs author of Restoring Free Speech and Liberty on Campus

Campus Hate Speech on Trial Timothy C.
